IMS 2023

Welcome to the India Mushroom Summit 2023, a pioneering gathering that brings together mushroom enthusiasts, experts and industry leaders to explore the burgeoning world of mycology. Set against the backdrop of India's rich agricultural heritage, this summit is a platform for in-depth discussions, innovative ideas, and knowledge sharing on all things fungi-related. With a focus on sustainability, cultivation techniques, medicinal properties, and the evolving culinary landscape, the summit promises to be a mycophile's dream. Join us as we delve into the fascinating world of mushrooms, forging new connections and discovering the endless possibilities they offer.
