Awards/Activities/Achievements organised in year 2023-24:

- The Department of Computer Science organized Shrinkhala 2023 (Alumni Interaction Series) on March 18th, 2024 titled “AI Marvels -Unveiling the Magic of Machine Learning from Theory to Real World” by Ms. Bhawna Jain, our esteemed alumni of batch 2013- 2017. Ms. Bhawna Jain is an Assistant Professor at IGDTUW. Ms. Bhawna shared a detailed and extensive knowledge on recent Artificial Intelligence technologies, tools, and approaches that are revolutionizing diverse sectors, such as healthcare, finance, and transportation. She provided valuable perceptions on how Artificial Intelligence, Machine Learning, and Deep Learning are being utilized to resolve intricate predicaments and stimulate advancement.
- The Department of Chemistry had organized an alumni interaction on August 16th, 2023. The speaker for the occasion was our esteemed alumni Ms. Simran Arora {M.Sc. from IIT (ISM), Dhanbad} of batch 2016-19. She appraised students on Career Avenues in Chemistry and selection processes in various institutes of repute, in both India and abroad.
- The Food Technology organized Sangam 1.0, alumni meet at Shaheed Rajguru College of Applied Sciences for Women, University of Delhi on March 21, 2024. Sangam 1.0 was a resounding success, bringing together 26 alumni from various graduating sessions and current students of the department. The event provided a valuable platform for alumni to reconnect, reminisce about their college days, and forge new connections. Attendees had the opportunity to network with peers, faculty members, and current students, fostering meaningful relationships for professional growth and collaboration.
- The Department of Management Studies organised Network Nexus (Alumni Series) on February 21, 2024, titled “Networking Career Opportunities and Postgraduate Pathways” by Ms. Vanshika Sharma, our esteemed alumni of batch 2018–2021, who shared her invaluable experience of working as a Senior Associate at Grant Thornton. She broke down into steps on how one can grab a decent placement, guiding students from ‘how to build the CV’ all the way to ‘useful tips to crack interviews’. She encouraged students to participate in Case Competitions during their college years to develop critical thinking and analytical skills. She also talked about how college societies help groom one’s Leadership and Management skills, all of which are boons when entering the corporate world.
- Department of Instrumentation organised Vyakhyan-an alumni interaction series on “Future Prospects and Career Guidance in the field of Instrumentation and Electronics” on 25, October 2023. The speakers were Ms. Gauri (Assistant

General Manager), Corporate Quality Assurance Micro Labs Limited, Bangalore, Ms. Aparna (Senior Research Scientist), Sun Pharmaceutical Industries Ltd. and Ms. Himani (Technical Writer), Synopsys INC. Total numbers of student participation were 46.

- The Department of Mathematics had organized SAMVAAD: ALUMNI INTERACTION on March 15, 2024. The event was graced by our successful graduates, Ms. Archie Singhal, currently working as Senior Research Analyst at Insight Alpha Research Solutions Pvt Ltd, and Ms. Tavishi Nagar, pursuing her M.Sc. in Mathematics from Delhi Technological University. Ms. Archie highlighted the importance of balancing academics and extracurricular activities, and developing transferable skills like MATHEMATICA software, R programming, and Excel. Ms. Tavishi appraised students on choosing between pure and applied mathematics for further studies. She suggested selecting electives that align with career aspirations and exploring resources beyond traditional textbooks.
- The Department of Microbiology organized its fourth Alumni meet on February 23rd, 2024. The event was graced by the presence of Prof R.K. Saxena, Founder Professor (superannuated), Department of Microbiology, University of Delhi, South Campus. He delivered an insightful talk on 'Careers in Microbiology' giving students an idea to translate laboratory research finding into an entrepreneurial venture. This was followed by alumni interaction where many alumni shared their experiences and guided the juniors for future opportunities in higher studies and jobs.
- The Department of Financial Studies organised Network Nexus (Alumni Series) on February 20, 2024, and February 22, 2024, titled "Consult your way to McKinsey" by Ms. Bhoomika Mithra, our esteemed alumni of batch 2017–2020, sharing her invaluable experiences of working as an Analyst at Mckinsey & company. Currently, she's pursuing her MBA at ISB. She guided the students through the entire interview-cracking session. Followed by "Demystifying the Journey from BBA to MBA" by Ms. Sudeeti Kapadia, a postgraduate from IIM Kashipur'23, she gave useful insights to our students about her entire preparation journey. She busted myths and clarified the doubts of students.
