Yoga Retreat

The Biochemistry Department of Shaheed Rajguru College of Applied Sciences for Women organized an online Yoga Retreat on **24th June 2021** from 7:30 – 9:00 am via Google meet. The theme of this event was yoga for well-being. Dr Sadhna Jain and Dr Alok Kumar shared their experience about yoga and taught common yoga micro exercises which included breathing techniques and some basic stretching exercises. Dr Lakshmi Devi, former principal of the college also graced the event with her presence. A total of 132 participants attended the event. The event concluded with a quiz for the students and cash prize was given to the winners. The attendance of the event is attached below.

NOTICE

Dated: 21.6.2021

The Department of Biochemistry is conducting "Yoga Retreat", an event to teach yoga for holistic health, happiness, and harmony. The event aims to provide a release from the stress caused by the hectic lifestyle and the pandemic. It consists of micro exercises and meditation conducted by Dr Alok Kumar Singh and Dr Sadhna Jain, followed by a 10-minute quiz on yoga. Winners will be awarded cash prize.

It is compulsory for all the students (first, second and third year) of the Biochemistry department to attend the event to completion.

The event details are :-

Date: 24th June 2021

Time: 7:30 – 8:30 A.M

Venue: Google meet

All the faculty members are cordially invited.

Session on gender pronouns and mental health

The Department Of Biochemistry in collaboration with Unnat Bharat Abhiyan -A flagship program of MoE Enactus of Shaheed Rajguru College of Applied Sciences For Women organized a webinar on the psychology behind changing gender pronouns and mental health-seeking attitude along with an interactive session with the members of LGBT + community. Around 90 people were active participants in the webinar held on June 28, 2021. Pallavi and Shruti were on hand to open the webinar followed by addressing the panelists - Verendra Ekta aka Veronica, Rijwan Basera aka Ramkali, Amarjeet Singh, and Deepak by Dr. Lakshmi Sarin and Dr. Sadhna Jain. Dr. Nupur Gosain and Ishika Negi enlightened us with more about LGBT + community. Then the webinar moved further where the panelists spoke about the variety of issues and their life experiences and how they overcame their challenges. The webinar came to an end with the questionnaire sessions among the panelist and all the attendees. 44 participants attended the event.

Bioinformatics workshop

The department of Biochemistry organized an online bioinformatics workshop on **July 2-3, 2021**. Dr. Ashwini Kumar Ray, Assistant Professor, School of Environmental Sciences and Dr. Neetu Sain, Scientist III (Bioinformatics) at Thermo Fischer Scientific India graced the occasion as speakers and the students were delighted to receive hands on training in bioinformatics. They introduced the students to the various bioinformatics tools and next generation sequencing. The speakers also emphasised on the increasing role of bioinformatics in modern day scientific research. 41 students including a few alumni participated in the event.

The poster features a dark blue background with a grid of white letters. At the top left is the University of Delhi logo, and at the top right is the Shaheed Rajguru College of Applied Sciences for Women logo. The text is centered and reads: 'SHAHEED RAJGURU COLLEGE OF APPLIED SCIENCES FOR WOMEN under the aegis of IQAC DEPARTMENT OF BIOCHEMISTRY Innovation is our tradition PRESENTS BIOINFORMATICS WORKSHOP DE <code> LIFE'. Below this, two circular portraits of speakers are shown. The left speaker is Dr. Ashwini Kumar Ray, and the right is Dr. Neetu Sain. Below each portrait are their names and titles. The dates '2 / 07 / 2021' and '3 / 07 / 2021' are in red boxes. Below the dates are the session details for each day. At the bottom, a white box contains the names of the organizers: Dr. Sadhna Jain (Teacher-in-Charge) and Dr. Tarun Kumar, Dr. Alok Kumar (Coordinator).

Post COVID complications and palliative care impact of Covid-19 on cancer

The department of Biochemistry in collaboration with Unnat Bharat Abhiyan and National Service Scheme organized a webinar in collaboration with Dharamshila Cancer Foundation and Research Centre on “Post COVID complications and palliative care impact of Covid-19 on cancer” on July 31, 2021. The Speakers were Dr. Survesha Khanna (Founder cum President of Dharamshila Cancer Foundation and Research Centre) and Dr. Pragya Singh (SR Manager of Dharamshila Narayana Superspeciality Hospital). 50 students attended the event.

The poster features logos at the top for Dharamshila Cancer Foundation, Ministry of Education, Government of India, Unnat Bharat Abhiyan, National Service Scheme, and a university logo. The main text reads: "Dharamshila Cancer Foundation And Research Centre in collaboration with Unnat Bharat Abhiyan with National Service Scheme & Department of Biochemistry, SRCASW IS ORGANIZING A WEBINAR ON POST COVID COMPLICATIONS & PALLIATIVE CARE IMPACT OF COVID-19 ON CANCER". Below this, it lists speakers: Dr. S. Khanna (Founder cum President, DCFRC) and Dr. Pragya Singh (Sr. Manager - Projects, DCFRC). It also lists Teacher Coordinators (Dr. Payal Mago, Dr. Lakshmi Pasricha Sarin, Dr. Mohita Bhagat, Dr. Sadhna Jain, Ms. Sonia Ahlawat) and Student Coordinators (Bhavna Gupta / Srishty Thakur, Chhavi Tomar, Meenakshi J). At the bottom, it provides the date (31st July 2021), time (11:00 AM Onwards), Zoom Webinar ID (846 8951 3098), and password (Prevention). Contact information for Mr. Vineet Pankaj is also provided.

Pictures

The image shows a screenshot of a Google Meet session. The browser tabs at the top include 'ER Webinar - Google Drive', 'Let food be thy medicine.docx', 'Inbox (14) - biochemistryteacher', and 'Science Day Seminar - Registrati...'. The address bar shows a Google Drive link. The main content area displays a presentation slide with a purple header that reads 'Post COVID complications and PALLIATIVE CARE'. Below the header are two images: one of a hand with a glowing red virus particle and another of a human torso with red virus particles. A semi-transparent box over the images says 'Press ESC or double-click to exit full screen mode'. At the bottom of the slide, it says 'Dharamshila Cancer Foundation And Research Centre'. On the right side of the screen, there is a video feed of a woman with glasses, identified as 'Pragya Singh, DCFRC'. At the bottom of the Meet interface, there are icons for 'Chat', 'Raise Hand', and 'Q&A', along with a red 'Leave' button.

Swatantrata Sangram

The department of Biochemistry organized an online series celebrating 75 years of independence of our nation on September 24, 2021. The students sang songs and performed plays about the forgotten freedom fighters of India. They also released e-pamphlets about these real life heroes. The event saw the participation of 56 individuals.

The poster features logos at the top: Shaheed Rajguru College of Applied Sciences for Women, the 75th Independence Day logo with the text 'आज़ादी का अमृत महोत्सव', and the IQAC logo. Below the logos, the text reads: 'SHAHEED RAJGURU COLLEGE OF APPLIED SCIENCES FOR WOMEN', 'DEPARTMENT OF BIOCHEMISTRY', 'Innovation is our tradition', 'Under the aegis of IQAC', 'PRESENTS', 'स्वतंत्रता संग्राम', 'गाथा आज़ादी के अमर शहीदों की...', 'A tribute to those who fought for our freedom', 'In celebration of आज़ादी का अमृत महोत्सव', and '24/09/2021 | 3:00 - 4:00 P.M | GOOGLE MEET'. A QR code is labeled 'SCAN TO REGISTER'. A list of activities includes: 'Recalling the contributions of freedom fighters', 'Monologue', 'Patriotic dance and songs', and 'Poetry Recitation'. At the bottom, there is an illustration of a boat with figures and the Indian flag, and contact information for Meenakshi (9899022685) and Akansha (8587043865). The footer lists 'Dr. Sadhna Jain, Teacher-in-Charge' and 'Dr. Lakshmi Sarin, Dr. Alek K. Singh, Dr. Bhawana Sharma, Teacher Coordinators'.

Technical Fest: Elixir'22

The Department of Biochemistry organized its Annual Technical Fest – Elixir'22 on **February 3-4, 2022** on 'Nucleic Acid Based Diagnostic Assay and their Application in Health Sciences'. The event started around 10 am. Ms. Anushka from first year opened the webinar by a warm welcome of students, faculty, and our guest Prof. Daman Saluja (Professor at Medical Biotechnology Laboratory, Dr. B R Ambedkar Center for Biomedical Research, University of Delhi). The event started with a lamp lighting ceremony followed by a small mascot video. She enlightened the participants by telling us about development of beacon-based Polymerase Chain Reaction (PCR) mediated diagnostic assays for sexually transmitted diseases. The webinar came to an end with a highly interactive QnA session between the guests and attendees. Later that day, the department under the aegis of IQAC organised a webinar on poster making competition on the topic 'Molecular Diagnosis'. 80 students joined this webinar apart from the faculty members. The next day, Mr. Ravi Krishnan Elangovan, Associate professor, Department of Biochemical Engineering and Biotechnology, IIT-D and Prof. Anil Aggarwal, Former Director Professor, Dept of Forensic Science, MAMC spoke on 'Molecular Diagnostics and its Application'. The department then invited everyone to take part in a problem solving competition 'Connect and Correct' connect the statement and deduce the answer. The winner for the 'Connect and Correct' was Ms. Nancy Jain, student of Gargi College, University of Delhi.

One-day trip to Wild Camp, Dhauj

The Department of Biochemistry organized a one-day trip to Wild Camp, Dhauj on March 7, 2022. We arrived at the destination after taking an amusing three hours bus trip. We were greeted by welcome drinks, and then we played different team games along with the teachers. We all sat down at the dining room for the delicious veg-buffet lunch. Teachers forced us into doing recreational activities like cricket, football, volleyball etc. We did various strenuous yet amazing activities like commando net, tunnel crawl, V bridge, cat walk, tyre loops etc. The most anticipated and amusing was the hike to the top of the Aravalli Hills. We clicked various pictures together and then came down safely. We had our evening tea and snack and then turn up to the bus and arrived at the college.

Talk on National Science Day 2022

The department of Biochemistry conducted a talk under the lecture series, titled “Integration of Science and Technology in diagnostics” by Dr Tanu Bhardwaj, senior post-doctoral associate, THSTI, Haryana on 28th March 2022. The talk was attended by students of various departments. The talk was very engaging and well received by the students and gave them new career opportunities, in addition to emphasising the critical role of technology in the ever-developing diagnostic methods. 68 students attended the event.

NOTICE

Department of Biochemistry is organizing a lecture series to celebrate “National Science Day 2022– *Integrated Approach of Science and Technology for Sustainable Future*”. The topic of the first seminar is ‘Integration of Science and Technology in Diagnostics’ by Dr. Tanu Bharadwaj, Senior Project Associate, Post-Doctoral Researcher, THSTI, Haryana.

It is compulsory for all the students of Department of Biochemistry to attend the event.

Participants who attend the event to completion will be provided e- certificates.

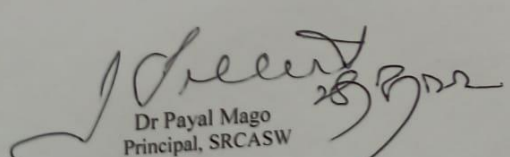

The event details are :-

Date: 28th March, 2022

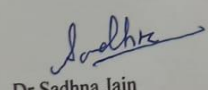

Time: 11:30 A.M.

Venue: Seminar Room Ground Floor, SRCASW

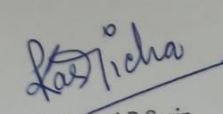

All the faculty members are cordially invited.

Departmental awards to all-rounder students: To motivate students, department has set up a common fund to give awards to all-rounder students and also for some special achievements.

Three awards were presented to the students:

- The Dr. R.S. Mittal Ace of Initiative Award – It is being sponsored by Dr. Mittal ‘s daughter, Dr. Sadhna Jain in memory of her father who was a professor in Delhi University for over three decades. He has authored various books being used by multitudes of students and has been a constant source of inspiration for students to reach great heights. This award was given to Ms. Kanak Kaul and Ms. Sabika Ali.
- The Swaraj Balraj Pasricha Ace of Initiative Award – It is being sponsored by their daughter, Dr. Lakshmi Pasricha Sarin, in memory of her parents who were ardent proponents of women ‘s education and independence. Mrs. Swaraj Pasricha was an innovative home maker and a social worker and Mr. Balraj Pasricha retired from the Accountant General of Central Revenue. The recipient of this award for the session 2021-22 was Ms. Khyati Gupta.
- This award is sponsored by Mr. Afzal Abel/Dr. Lakshmi Pasricha Sarin in remembrance of father of Mr. Abel, Aaron Asghar Abel. He was the Representative of the Bible Society and actively associated with the Presbyterian Church of Pakistan. He was blessed with four sons but always wanted a daughter. He was a very noble soul who always wanted to promote education for girls. The recipient of this award for the session 2021-22 was Ms. Meenakshi J.
- Pandit Vishnu Dutt Shastri – This award has been initiated by Dr. Bhawana Sharma, in the memory of her maternal grandfather Pt. Vishnu Dutt Shastri. He was a strong advocate of Sanskrit, master of astrology, powerhouse of knowledge and wisdom. A person with a heart of gold, he was a minimalist, who firmly believed in putting others need first. It was his passion for teaching and charity work that not only created great students but positively nourished generous minds. This award will be presented to a final year student of B.Sc. (H) Biochemistry, who has shown excellence in academics along with being outstandingly compassionate, courteous and cordial. The recipient of this award for the session 2021-22 was Ms. Anamika Sinha.
