

Biochemistry: 2018-2019

| S.no | Name of the activity | Page No |
|------|---|---------|
| 1. | Short-term research training at THSTI | 1 |
| 2. | Talk on “IPR Alternate Career Path” | 2 |
| 3. | Lecture on Career counselling | 2 |
| 4. | “Introduction to M.Sc. courses in Virology, Immunology and Genomics and their Career Prospects” | 2 |
| 5. | “Practical applications of biomolecules” | 2 |
| 6. | Awards to all-rounder students | 2 |
| 7. | Saraswati Pooja celebrations | 2 |
| 8. | Release of departmental Magazine “Unlocking Minds” | 3 |
| 9. | Excursion tour to Jim Corbett National Park and Nainital | 3 |
| 10. | One day visit to University of Delhi South Campus | 3 |

1. **Short-term research training at THSTI:** Students were provided short-term research training at different labs of THSTI from December 20-28, 2018 under “Shadow a Scientist” Program. The students underwent training under the guidance of eminent scientists, Dr. Sankar Bhattacharya from Molecular Virology group and Dr. Ramandeep Singh from Tuberculosis Research group. The program helped students to explore new avenues, learn new techniques and get an insight of the current research going on in the field of infectious disease biology. **Number of participants: 71**

2. **Talk on “IPR Alternate Career Path”**: A talk on “IPR Alternate Career Path” was conducted by the Department on September 24th, 2018. Dr. Monika Joon from Bahadurgarh University was the invited speaker. **Number of participants: 71**

3. **Lecture on Career counselling**: A lecture on Career counselling was held on January 21st, 2019 by “Career Endeavor Academy” was conducted. **Number of participants: 71**

4. **“Introduction to M.Sc. courses in Virology, Immunology and Genomics and their Career Prospects”**: “Introduction to M.Sc. courses in Virology, Immunology and Genomics and their Career Prospects” by Dr. Jasleen Kaur and Dr. Devender Toor from Amity University Noida on March 6th, 2019. **Number of participants: 71**

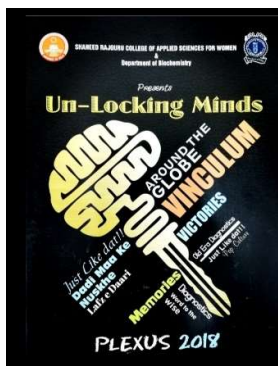

5. **“Practical applications of biomolecules”**: Department conducted a workshop on “Practical applications of biomolecules” from October 15-16, 2018 with 25 school students and gave hands-on training on various advanced techniques to generate interest in science research. **Number of participants: 25**

6. **Awards to all-rounder students**: To motivate students, department has set up a common fund to give awards to all-rounder students. **Number of participants: 71**

7. **Saraswati Pooja celebrations**: As a mark of respect to Goddess Saraswati, department organized “Saraswati Pooja” on Basant Panchami. **Number of participants: 71**

8. **Release of departmental Magazine “Unlocking Minds”:** Department released its first magazine named “Unlocking Minds” on Annual Tech Fest Plexus (October 11-12, 2018). **Number of participants:** 71

9. **Excursion tour to Jim Corbett National Park and Nainital:** To provide students a refreshing experience outside their everyday life, Department organized excursion tour to Jim Corbett National Park and Nainital from March 12-14, 2019. **Number of participants:** 71

10. **One day visit to University of Delhi South Campus:** To motivate students for pursuing higher study and research, department organized one day visit (March 30th, 2019) to University of Delhi South Campus where students visited central instrumentation facility and labs of Department of Biochemistry and Department of Plant and Molecular Biology. **Number of participants:** 71
