

Biomedical Science: 2015-2016

SNo	Name of the activity	Page No
1	Talk- To guide the students about scholarships available for pursuing higher studies.	1
2	Talk-‘Sciencetoon’.	1
3	Talk-“RNA imaging”.	1
4	Technical fest-PLEXUS	1
5	World Pharmacy Week	2
6	World Alzheimer’s day.	2

- 1) **Talk- “To guide the students about scholarships available for pursuing higher studies”**-Department of Biomedical science organized a talk on **“To guide the students about scholarships available for pursuing higher studies”** for the students.
Names of Resource Person: Ms. Supriya Davis, a graduate from Swathmore College, Pennsylvania and a candidate of Fullbright Nehru student research program
Number of Participants: Approx 50
- 2) **Talk- ‘Sciencetoon’**-A talk on the invention of ‘Sciencetoon’ was organized by the department for students on January 12, 2016.
Names of Resource Person: Dr. Pradeep Srivastava
Number of Participants:
- 3) **Talk-“RNA imaging”**.On 22 January, 2016, department organized a talk on **“RNA imaging”** for students. **Alumini** who has expertise in her field and a wide array of knowledge, gave brief introduction about **“RNA imaging”**.
Names of the Resource Person: Dr. Ankita Arora (Ph.D. from Germany)
Number of Participants: 80
- 4) **Technical fest-PLEXUS:** Department of Biomedical Science organised its annual departmental fest, **PLEXUS**. It was celebrated with vigour and enthusiasm by the department of Biomedical Science on October 14, 2016.The event was started with welcome note for the teachers and students who attended the events. This was followed by lectures delivered by the invited renowned speakers. The event was ended with competitions like quiz, trash craft, prop it up and a case of missing identity
Names of the Resource Person: Dr. B. N. Malik, JNU and Dr. Bina Sawhni, Ministry of Health & Family Welfare
Number of Participants: 100

5) **World Pharmacy Week-** Department of Biomedical Sciences celebrated “**World Pharmacy Week**” on September 7, 2015. It was weeklong event started with welcome note for teachers and students. This was followed by a series of presentation prepared and presented by the students of department on topic “Important drug discoveries and pharmaceutical industries.

Names of the Resource Person: Students of Biomedical Science

Number of Participants: Approx 85

6) **World Alzheimer’s day:** Department of Biomedical Science celebrated 21st September as “**World Alzheimer’s day**”. The event was started with the welcome note for the teachers and students of all the departments who gave their precious time and came to attend the event. This was then followed by lecture delivered by speaker from Alzheimer’s and related disorder society of India who gave brief introduction about the disease to students

Names of the Resource Person: Dr. Pravat Mandal, National Brain Research Centre

Number of Participants: Approx 85
