The fest was held virtually through Google Meets due to the Covid-19 global pandemic and thus the theme was aptly chosen- Empowering Women Through Education & Mental Health Care.

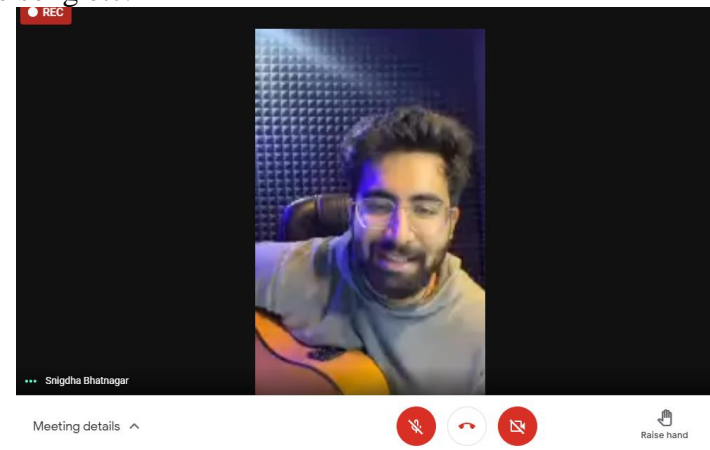

Technical Event: The fest began with the technical session hosted by Mr. Jayprakash, undersecretary to Govt. of India. He talked about empowering women through inclusive education. Sir talked about the importance of inclusive education, and equal education opportunities for all regardless of gender and social background and emphasized the need for taking steps for the same and to address the need of women. Mr. Jayprakash raised some very valid points with respect to inclusive education especially for women and gave very enlightening insight into this issue.

The next session was by Ms. Ashna Juneja, HR Analyst Accenture, podcaster, founder of Midvibe on the theme of mental health in workplace. Ms. Juneja talked about the importance of self-care and to deal with stressful situations especially while working in the corporate world. She also shared some tips to focus and relax in difficult times and how to keep going despite the hard times.

After Ms. Juneja, winners of various games were announced. Following the award ceremony, Mr. Stavya Kaila, singer changed the atmosphere by singing live on meet. He sang a mix of soulful and beat tapping songs He also shared some insights from his personal life like his inspiration, favourite song etc.

The day finally ended with a special thanks to the guests, participants, organisers for making the event a huge success.
