Student Achievements
(Session:2018-19)

S.No	Session	Student Name	Achievements
1.	2018-19	Hunar Batra	Hunar Batra was awarded the highly prestigious 24 under 24 award by The Mars Generation for being a Leader and Innovator in STEAM. The Mars Generation 24 under 24 award identifies and catalyses the efforts of young people around the world who are breaking barriers in science, technology, engineering, arts, and math (STEAM) fields and bringing the sciences to the public through multi-disciplinary interests.
