3.	Visit to Lohagarh Farm	3

1. **Alumnae Connect Webinar-** “PepsiCo Special Edition” was organized on 17th January 2022 graced by dignitaries like Ms. Vasudha Modgil, Ms. Shreya Pandey, Ms. Gayatri Bhandari and Ms. Richa Bharti. Being alumnae of our college, they are all related to PepsiCo brand names as well. They imparted their knowledge, shared valuable experiences and helped students identify rising streams in the Food Industry. Providing names of various platforms, they helped students recoup practical knowledge. Panel further discussed the importance of being flexible at the job, shared the immense competitive nature of the corporates, upcoming ideas gaining popularity like sustainable food and use of automation in the food industry. They explained the scope and horizons of these latest trends and encouraged the audience to pursue them as a venture in future if possible.

2. Technical Talk Under Annual Tech Fest “Food Felicity’22”-The Department organized its annual technical fest- Food Felicity’22 on 10th and 11th February 2022 under the theme of the World Food Day 2021; Safe Food Now for a Healthy Tomorrow. The keynote speaker or the inaugural event was Mr. Sanjay Dave -Senior International Expert to FAO, WHO, ITC and IAEA, Former advisor at FSSAI. Dr. Rohini Sharma- Freelance Food Technologist, Nutritionist and Life Coach and Dr. Subhaprada Nishtala- President, AFSTI Mumbai chapter, ITCFSAN, Director Incharge FSSAI AFST-Food safety Professional of the Year 2019 were the speakers for the technical session that followed. Edesia conducted a total of 11 major and minor events under Food Felicity’22-

1. Technical Poster presentation- In this competition participants were asked to present their posters and research on the recent advances in food science and technology.
2. FoodTech MindSpin: ProSol Challenge- A problem solving event where participants presented their solutions for the given industry problems.
3. Talking Titans- An extempore competition where the topic related to Food Safety was given on the spot to the participants and they had to speak on that for 2 minutes.
4. Pin the Drink- A quiz based event in which the questions were related to popular beverages from all over the world.
5. FoodTech Intellect: Quiz- a quiz competition based on the theme “Safe Food Now for a Healthy Tomorrow”.
6. Nutrilicious: Recipe Formulation Competition- A recipe formulation competition. A theme based competition: Millet based recipes. Participants were asked to explain the novelty and the nutritional values of their dish.
7. Food-o-fire: Rapid Fire Quiz- The questions were related to a food product of the respective participant choice.
8. Food Shooters- It was a food photography competition.
9. Meme Maniac- It was a meme making competition under the theme ‘Humare jigidost-Calcium, Iron and Vitamins’.
10. Foodie Wordplay- It was a wordplay based quiz competition. The two day fest enriched with several competitions provided a platform for emerging young minds to showcase their talents and get rewarded for the same. The event successfully.

3. **Visit to Lohagarh Farm-** The Department of Food Technology Organized a departmental trip on 28 March 2022. The department provides a bus for transport. The tour includes a visit to the fields, Indulge in fun activities games and sports, Adventure Activities, Rural Activities, Games and Sports, Instructor-Led Activities, Team Building Activities. We all miss the old childhood days, when we had no worries no competition and no targets. Just plain simple lives with full day of fun and activities.
