PHILYRA WMS- The western music society of SRCASW

In the symphony of names, Philyra dances, a lyrical ode to passion. A melody of meaning, where 'Philyra' whispers softly, revealing its secret: the lover of music. PHILYRA- WESTREN MUSIC SOCIETY of Shaheed Rajguru College of Applied Sciences for Women was formed in the year 2019 and since then it has seen nothing but ascend.

Embracing the universal language of music, our society serves as a vibrant hub for aspiring musicians, vocalists, instrumentalists, music composers and music enthusiasts alike. Here, the campus comes alive with the sweet symphony of creativity, fostering an environment where notes and chords intertwine with the pursuit of knowledge.

Each of the society's members are different in their own melodic way, but are bound by the strong forces of sisterhood. We promise all our members a great college experience where they not only learn about music but also about synchrony.

PHILYRA organises its annual fest named 'VIBE' meticulously where we have various group and solo, vocal as well as instrumental competitions. We also perform in various events of our college like Orientation programs, Diwali Mela, the annual fest of Shaheed Rajguru College i.e., 'KARVAAN', etc.

Embarking on a journey of excellence, our team enthusiastically participated in various thrilling competitions and events that pushed our limits and honed our skills and taking WMS to new heights

Under the Guidance of Mr Rahul Sharma founder of The Guitar School India, we have grown differently from knowing our different skills, roles and capabilities to embarking the name of our society in colleges and different places.
