Messages from Honoured Guests

Mrs. Sulekha Deuskar
Mr. Vivek Deuskar

प्रिय विद्यार्थिनीयों,

आपने कॉलेज का 30 वार्षिक उत्सव कॉलेज के इतिहास का एक बहुत महत्वपूर्ण दिन है क्योंकि इस दिन आपके कॉलेज में हुतात्मा राजगुरु जी की मूर्ति का अनावरण हुआ है।

जिस क्रांतिकारी ने देश के लिए बलिदान दिया और जो देश अब 75वें स्वतंत्र साल में प्रवेश कर रहा है, आप सब उसके जिम्मेदार नागरिक हो।

आपको जो चुने हुए कोर्स की शिक्षा मिल रही है, पूरी मेहनत और लगन से वो पूरा करना। जितना हो सके अपने गुरुजनों और प्रधानाचार्य से मार्गदर्शन लेकर कोर्स में अग्रणी रहना। इस उत्तम कॉलेज से शिक्षा ग्रहण करने का आपको सहोभाग्य प्राप्त हुआ है और आपका इसका पूरा फायदा लेना चाहिए।

आप सबको आपके कैरियर के लिए हार्दिक शुभकामनाएं और आप की तरक्की हो, जिससे देश भी आगे बढ़े।

भारत को विकासशील देश से विकसित देश आपको बनाना है। खूब पढ़िए और जिम्मेदार नागरिक बनिए।

अमर शहीद सुखदेव की सोच

“मात्र भावुकता के आधार पर की गई अपीलों का क्रांतिकारी संघर्षों में कोई अधिक महत्व नहीं होता और न ही हो सकता है।”

Mr. Anuj Thapar
Nephew of Shaheed Sukhdev Thapar

यह अत्यंत हर्ष का विषय है कि "शहीद राजगुरु कलेज ऑफ एप्लाइड साइंसेज फार विमेन" - दिल्ली अपने 30वें वार्षिकोत्सव पर शहीद राजगुरु की जयन्ती के अवसर पर 24 अगस्त 2021 को उनकी प्रतिमा विद्यालय प्रांगण में स्थापित करने जा रहा है।

शहीद शिवराम हरि राजगुरु का नाम स्वतंत्रता संग्राम सेनानियों की पंक्ति में सर्वोच्च बलिदान देने वालों में अग्रणी है। उन्होंने बिना निजी स्वार्थ के देश का परतन्त्र से मुक्त करने और देश की भावी पीढ़ियों के स्वर्णिम भविष्य के लिए शहीद आज़म स. भगत सिंह व शहीद सुखदेव के साथ हंसते हंसते फाँसी का फन्दा चूमा था। वे एक ऐसे स्वतन्त्र राष्ट्र की कल्पना करते थे जिसमें अन्तिम छोर पर खड़े व्यक्ति तक राजनीतिक और आर्थिक आजादी का लाभ पहुँचे।

देश के शहीदों को याद करके हम नई पीढ़ी के सामने प्रेरण देने वाले नायकों के मार्ग पर चलकर देश के लिए सर्वस्व न्यौदावर करने का संकल्प तज्जा करते हैं। देश के शहीद राजगुरु सरीखे वीरपुत्रों का स्मरण हमारी नई पीढ़ी को राष्ट्र प्रेम की नई उर्जा देगा।

जयहिन्द।

Shaheed Rajguru College of Applied Sciences for Women

College Vision and Mission

Vision

To emerge as one of the world's leading institutes through continuous highest academic standards by forging strong industry-academia bond and playing a pioneering role in research & development, so as to serve society by way of shaping professionals to conquer the present and future challenges to the socio-economic fabric of our society by dissemination of relevant knowledge through structured learning system. The college aims to change lives, build the future, impart technical expertise and improve industrial links through high quality applied learning.

Mission

To build and nurture a new generation of professionals by providing them education with a holistic perspective. To imbibe strong ethical values so that they can work as positive change agents in the new millennium. It will be our endeavour to assimilate and disseminate practical strategies to future professionals and to encourage their understanding of strategic perception to fulfill the mission of the organisation in the fast-changing global environment.

Teaching Staff

From the Chairperson's Desk

The college is named after Shaheed Shivaram Hari Rajguru who was an Indian revolutionary from Maharashtra, known for his involvement in the assassination of a British Raj police officer. He also fought for the independence of India and on 23rd March 1931 was hanged by the British government along with Shaheed Bhagat Singh and Shaheed

Sukhdev. We salute his contributions, his dedication for the Indian people and the mode and mission of his life along with his achievements. We wish to embody in our students the same spirit of perseverance, strength and commitment.

As a constituent college of the University of Delhi, this institution is fully supported by Government of NCT of Delhi. In its pursuit of academic excellence, the college conforms to a healthy work culture, discipline, freedom of thought and expression, sense of consciousness for nation building and reverence for universal human values.

My vision for the college is to provide students with an educational experience that inspires and motivates them to be lifelong learners and caring contributors to the world around them. Our goal is to provide a nurturing environment that meets the individual needs of each student, both academically and socially.

To bring this vision to reality, we have a strong meticulously trained, dedicated and committed faculty and staff who at each point are ready to guide the students. The faculties are dedicated to allocate their knowledge from their experiences in their own field of expertise to the students. Not only this, our faculty members are also caring, supportive and nurturing to the students as they engage with the students in this wonderful journey.

As you know, we are going through an unprecedented global predicament today. Each one of us have in some way been affected by the coronavirus pandemic and our entire way of life has now changed. At

this time, I would like to assure you that your academics remain our priority and our hard-working faculty have been doing an outstanding job in providing regular online education to the students.

Additionally, different student bodies and the teachers together host various workshops/programs to ensure holistic development of all our students.

We are excited for the opportunity to get know all of you and I would like for all the students to be as excited for this new, exciting phase of their lives where they will not learn as students of their respective discipline but also as students in life as you discover yourselves. I wish you lots of curiosity and vigour for this journey that will undoubtedly be a rewarding one!

All the best!

Principal's Message

On the 113th birth anniversary of Shaheed Shivram Hari Rajguru ji, it is my proud privilege to welcome you all to the 30th Annual Report of the college. The academic year 2020-21 was brimmed with plethora of events, numerous accomplishments of students and faculty, significant works in the research and innovation, and definitely,

positivity to continue the teaching-learning process in the online mode with an exuberant outlook. The college has always been committed to excellence and the Annual Report acknowledges all the efforts made towards it.

I wish to thank all the Governing Body members of the College and the entire teaching and non-teaching staff for their unflinching support in the betterment of the institution. This Annual Report covers all the activities, achievements, events and awards of the College; and charts out wonderful endeavours of various societies and councils, rendering overall development of the students of the college.

Get ready to join us in this wonderful journey in association with the Rajguru Family.

Chief Guest – Ms. Atishi Singh

I deem it a great pleasure to congratulate Shaheed Rajguru College of Applied Sciences for Women, University of Delhi, for yet another year of sheer excellence in education. The college has set up an example for our society by nurturing professional and powerful women in the field of applied sciences. Being able to achieve

this milestone during the time of a pandemic truly deserves praise.

It is inspiring to see that the college has been successful in empowering 1700 women with 21st century global skills and has shaped them into responsible and capable citizens who will make a positive contribution to the future of this country and also be able to fearlessly face the challenges of the outside world.

The presence of inspiring mentors has been a boon for the college and under their expert guidance, these women will most definitely make a mark in their professional journey and achieve success in any career that they choose to pursue.

I would like to congratulate Prof. Dr. Payal Mago, Principal, SRCASW, University of Delhi and the entire faculty and students for bringing honour to the college by putting up a statue of Shaheed Rajguru at the college campus on India's 75th year of Independence. The Delhi government is placing 500 flags, the national tricolour, across Delhi to mark the 75th year of Independence and to inspire citizens with its visual to keep nation building at the heart of their actions. Similarly, this statue will forever keep alive, the memory of Shaheed Rajguru and his contribution in India's struggle for Independence and will be a constant source of inspiration for all the students and alumni in the coming years.

Furthermore, I would like to applaud the Governing Body of the college for solemnising this important event by bringing in the blessed soil from Shaheed Rajguru's birth place, Khed near Pune

in Maharashtra. This action speaks of the commitment to nationhood in the college and will encourage a spirit of nationality within the hearts of the students. It will inspire them to work with zeal for the betterment of this country.

It is a pleasure to see that the students of Shaheed Rajguru College of Applied Sciences for Women have not only shown consistent academic excellence in all the 14 programs and secured many top university positions but have also won laurels in sports and co-curricular activities.

The Principal, Prof. Dr. Payal Mago, has been an embodiment of women empowerment and has constantly endeavoured to enrich the learning environment through enlightening seminars, workshops and faculty development programs.

It gives me immense pleasure to know that the college also has an Entrepreneurship Development initiative to encourage its students and has been actively contributing to several social initiatives through its entrepreneurship development initiatives like Sehaj and Kashida.

It is my belief that the college will continue on its path to academic brilliance and inspire future generations of Indian women to become strong, independent and capable citizens of this country.

Internal Quality Assurance Cell (IQAC)

In pursuit for performance, evaluation, assessment, accreditation and quality up-gradation of higher education, every institution must have an internal quality assurance system. Shaheed Rajguru College of Applied Sciences for Women has set up an Internal Quality Assurance Cell in July 2014. Ever since its establishment the IQAC is actively working towards creating a quality conscious environment. The IQAC is meant for planning, guiding and monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities of the colleges.

Internal Quality Assurance Cell (IQAC) Members for 2020-2021:

- Prof. (Dr.) Payal Mago, Principal (Chairperson)
- Ms. Venika Gupta, Associate Professor (Coordinator)
- Dr. S. Lakshmi Devi, Former Principal
- Mr. Nitin Malik, Joint Registrar, GGSIP University

- Webinar on Achieving Excellence in Higher Education in India in the 21st Century: Challenges and Opportunities held on 31st March 2021.

NIRF

The National Institutional Ranking Framework (NIRF) was approved by the MOE and was introduced on 29th September 2015. This framework outlines a methodology to rank institutions across the country. The methodology draws from the broad understanding of overall recommendations arrived at by a Core Committee set up by MOE, to identify the broad parameters for ranking various universities and institutions. The parameters broadly cover “Teaching, Learning and Resources,” “Research and Professional Practices,” “Graduation Outcomes,” “Outreach and Inclusivity,” and “Perception”.

The college has been participating in the NIRF ranking for the past 4 years. We have been consistently placed in the top 100 in the college category. The college has secured 37th position with a score of 57.17 amongst 1802 participating institutions in the NIRF Ranking 2021. The India Ranking 2021 was released by Hon’ble Minister of Education, Shri Dharmendra Pradhan on 9th September 2021. The college was previously placed at the 67th position in NIRF College Ranking 2020.

Dr. Joachim Frank jointly won the 2017 Nobel Prize in Chemistry for "developing cryo-electron microscopy for the high-resolution structure determination of biomolecules in solution", with Jacques Dubochet and Richard Henderson. Dr. Frank delivered a talk on "Cryo-electron Microscopy: Visualizing Biological Molecules in their

Native States". His lecture provided great insight into the nuances of the technique. He also shared his proud moments from the Nobel Prize Ceremony with the students. He inspired the young scientists to be open to all sources of information but be stubborn enough to pursue your progression.

- Commemorated the Annual Technical Fest, Plexus'21, on 15th January 2021. The theme for this year was "Interdisciplinary Aspects of CRISPR-CAS 9 Technology". The eminent speakers of the day were Dr. Siddharth Tiwari, Scientist, National Agri-Biotechnology Institute (NABI) who delivered a lecture on "CRISPR Technology: Application in the Nutritional Improvement of Plants", and Dr. C. Vishwanathan, Principal Scientist & Head, Division of Plant Physiology, Indian Agricultural Research Institute (IARI) who delivered a lecture on "Precision Mutagenesis: CRISPR-Cas genome editing and its application in agriculture". The talks were learning experience for the students. The scientists inspired young future scientists to be curious and understand the positive points of science to share knowledge with everyone.
- The department in collaboration with Department of Biomedical Science, ANDC and BCAS, organised a webinar on "Physiological Data Acquisition Systems" by Mr. Sumant Bhat, Training and Technical Support Manager, AD Instruments, New Delhi and Mr. Pravesh Pokhriyal, Country Manager, AD Instruments, New Delhi on 27th February 2021. It aimed to introduce the students about wired and wireless Physiological Data Acquisition System on a digital learning platform with cloud-based content.

- A webinar on Prevention, Control and Mitigation of Chemical Hazards, was organised on 8th October 2020. Dr. Lakshmi Raghupathy, Former Director, Ministry of Environment and Forests, GOI, New Delhi; presently working as Advisor & Consultant (in the areas of environment & waste management) and visiting faculty, TERI University, addressed the gathering. The talk focused on the prevention of chemical hazards with the role of Green Chemistry in combating the same.
- An interactive session in the form of a webinar on Career Counseling was organised on 17th November 2020. The session was conducted by Dr. Ashish Pandey, post-doctoral Researcher at IIT Delhi. Students were enlightened with the various career options available after bachelors.
- Online Freshers party was organised on 4th January 2021: IInd and IIIrd year students welcomed Ist year students, by organising fun games and Miss Alchemy contest.
- Technical Fest 'TRAP' was jointly organised with Departments of Mathematics, Physics and Statistics on 15th & 16th January 2021. The event consisted of two talks. First one was delivered by Mr. Rajendra Joshi, Founder and CEO, RI Group and Managing Director RINZTECH NZ Ltd. The talk focused on cost effective Raman and Fluorescence Spectroscopy in India. The second talk was delivered by Dr. Sally Lukose, Dean, School of Allied Health Science, Sharda University, Greater Noida. Her talk focused on Analysis of Accidents. Later, various technical and fun events were organised in which students from various colleges of University of Delhi participated.

- Organised a webinar on “Machine Learning and its Applications” on 9th October 2020. The speaker and esteemed guest for the webinar was Dr. Deo Prakash Vidyarthi, Professor, School of Computer and System Sciences, Jawaharlal Nehru University, Delhi. The students were given insights about machine learning, its growth and related fields where machine learning is applied.
- Organised a webinar on “Cyber Security: Attack, Trends and Methodologies” on 26th October 2020. The resource person for the webinar was Ms. Aroma Gupta, Cyber Forensic Expert, McKinsey & Company. Security related concepts, cyber threats and their different levels of execution i.e. national level, organisational level and individual level were the major topics discussed during the webinar. It was a very informative and interactive webinar overall.
- A webinar on “Unfolding the dimensions of AI and ML” was organised on 25th January 2021. The speaker for the occasion was Dr. Priya Gupta, Associate Professor, Atal Bihari Vajpayee School of Management and Entrepreneurship, Jawaharlal Nehru University, Delhi
- A session on “Career opportunities in Data Science” was organised on 28th January 2021. It was delivered by Mr. Rajinder Chitoria, Antrix Academy of Data Science. The industry-oriented discussion session was quite insightful for students.
- “Technology is best when it brings people together”. With this spirit in heart, Eniac Society, Department of Computer Science organised the inter college annual IT Festival Tech Mélange on 28th January 2021 & 29th January 2021 on online platforms.
- Organised a webinar on “Top MCA Colleges and Entrance Exams” on 16th April 2021. The speaker and esteemed guest for the webinar was Mr. Ankur Chadha, Head Member at Landmark Institute, Delhi. Overall, it was a very informative and interactive webinar.

Activities

- Organised a webinar on “Flexible Electronics (Insight and Perspectives)” on 15th October 2020. Dr. T. Eshwar (Scientist, CSIR-CEERI, Pilani) was the Hon’ble Speaker. His talk covered various insights and perspectives of advancements in semiconductor industries and technologies that lead to the latest wearable electronic gadgets. Around 60 students participated in the webinar.
- Organised a webinar on ‘Impact of Electronic Devices on Health During Lockdown and COVID-19 & Role of Physical Education’ on 19th October 2020. Dr. Seema Sharma (Assistant Professor, Physical Education and Sports, Lakshmibai College) was the Hon’ble speaker. She talked about health-related issues that arise due to the excessive use of electronic devices during lockdown. The students found the session very interesting and useful. It was attended by around 100 students.
- Organised an inter-college e-quiz – ‘Hunch Brainlogist’ on 23rd October 2020. The quiz was conducted in the form of google form and consisted of 25 questions on “Artificial Intelligence and Machine Learning”. The quiz was attempted by 96 students of different colleges and universities. e-certificates were provided to those participants who scored above 65%.
- Organised an inter-college Content Writing & Poster Making Competition on the topic ‘Changing Role of Technology amid COVID-19’. The competition was opened on 24th October 2020 with the last date for the submission of entries as 2nd November 2020. 13

entries were received in all. First three winners under both categories were featured on the Instagram Page of Electronics student's society, VIDYUT and were also awarded with the e-certificates.

- Organised a listening circle on the topic 'Embracing the new you amid COVID' on 9th November 2020, which was facilitated by Dr. Aastha Jain (Clinical Psychologist, SRCASW, DU). She was very informative throughout the session and provided the chance to each student to share their feelings and situations they have faced during the pandemic. The platform for the listening circle was Google Meet and around 50 students participated in this event.
- The Department of Electronics released its first e-Magazine – 'Electroveda (Issue No. 1)' on 1st January 2021. It includes information regarding the development and growth in the field of electronics in and around the world. It also included information like Tech News, Webinars, Knowledge Hub etc. A team of 5 student editors along with the support of faculty members made this e-Magazine possible. The response from the audience made it a great success.
- Annual Technical Fest Electromania was organised on 15th & 16th January 2021 by the VIDYUT-The Electronics Students Society. It was collaborated with IEEE Society (IIT, Patna), Robotronics Club (IIT, Mandi) & ECE Department (IIMT, College of Engineering). The fest consisted of 4 events namely Innovision, Circuitrix, Coding Marathon and Word War. It was sponsored by Coding Ninjas and co-sponsored by Square Prints. The main idea of the event is to provide a platform for students of engineering and science programs to share their ideas, test their practical skills and to get rewarded for the same. 825 students, from all over India, participated in the whole event making it a great success.
- Organised a webinar on 'Basics of LabVIEW' on 2nd March 2021. The webinar was delivered by Mr. Biswajit Banerjee (Senior Field Technical Engineer) and was full of knowledge and learning. The students interacted and resolved their queries related to LabVIEW and its applications. 71 students attended the webinar.
- The department released its second edition of e-Magazine 'Electroveda (Issue No. 2)' on 17th May 2021. This edition consisted of insights and details of 5G, Tech News, How to Choose the Correct Multimeter, New Products from the Entire Electronics Industry etc. A team of 8 editors along with the support of faculty members made this issue a success.

- The department under the aegis of IQAC organised a three-day e-workshop on “Multisim Electronics Workbench” via Google Meet application from 13th July 2020 to 15th July 2020. Ms. Himani Dua Sehgal and Ms. Neha Garg, Faculty of the department were the resource persons for the workshop.
- Organised a webinar on “Guidance and choice of Discipline Specific Elective Paper” via Google Meet application on 5th August 2020. Ms. Neha Garg and Dr. Yogesh Pratap, Faculty of the department were the resource persons for the session.
- The students of the department organised an online session to celebrate Teachers Day virtually on 5th September 2020 on Google Meet.
- The department under the aegis of IQAC initiated “Coalescence-Industry Academia National E-Seminar Lecture Series”, with lectures in collaboration with Waters India Pvt. Ltd., Delhi. The invited eminent speakers from the company were Mr. Jitesh Thakur (Senior Application Specialist, North India) and Mr. Hitesh Srimal (Manager Application, North India). The students also got a chance of interaction with Mr. Sundeep Dhar (General

Manager, North India) and Mr. Jay Kumar (Manager, North India). The 2-day lecture series was conducted via Microsoft teams, on 6th & 7th October 2020, covering Basics of Liquid Chromatography and Mass Spectroscopy along with Advanced Chromatography Techniques and their applications.

- Technical fest “Technexus” was organised by the department on 27th & 28th January 2021. Two webinars, one on “Satellite Communication by Prof. Mridula Gupta (Head Department of Electronic Science, University of Delhi) and another on “Bio signals and their applications” by Dr. Sanjeev Kumar (Principal Scientist, Biomedical Instrumentation, CSIO Chandigarh) were conducted as a part of the festival.
- Organised webinar on “Electroanalytical Methods of Analysis” via Google Meet application on 17th April 2021. Dr. Ritika Nagpal, Assistant Professor, Department of Chemistry, SRM University was the resource person.
- The department along with the alumni cell organised a two-day lecture series on the topic, “Automated Chemical Analysis Systems” delivered by Dr. Tanu Bhardwaj, an alumni of Instrumentation on 24th April & 25th April 2021. Dr. Tanu Bhardwaj is Ph.D. holder in Biomedical Engineering from IIT, Delhi. The lecture covered different topics like automation, robotics, drug detection and biosensors.
- In order to pay gratitude to seniors, the students of department organised virtual Farewell for 2018-2021 batch on 27th June 2021 on Google Meet platform, they have unlocked a couple of surprises and memories to cherish for their seniors.

- Organised a 10-day ‘Mathematica’ Workshop from 29th June 2020 to 9th July 2020. The target audience for this were the students who have studied generic papers of the Mathematics, to enhance their practical knowledge in the concepts they studied in their generic papers. Hands-on experience was given on ‘Mathematica’ software and its tools.

- On the occasion of Mathematics Storytelling Day, a webinar on Google Meet was organised on the topic “What is Success”, by Dr. S. Lakshmi Devi, Founder Principal, SRCASW on 25th September 2020. Dr. Lakshmi explained to students about success in life and how to achieve it by quoting examples of successful personalities. It was an interactive session, where students learnt how to plan their future and choose the right path to achieve their goals.
- An online Quiz “Maths π -Rates” on Kahoot App was organised on the occasion of World Mathematics Day, 15th October 2020. The quiz witnessed a large participation by the students. The format was highly appreciated and enjoyed by all.
- A webinar on Machine Learning was organised by the department in association with CETPA InfoTech Pvt. Ltd. on 9th November 2020 on Google Meet. CETPA team explained the techniques of data analysis by using Software’s like R and Python to the students.
- TRAP 2020, the Technical Festival was organised online by the Department of Mathematics jointly with the Department of Chemistry, Physics and Statistics on 15th & 16th January 2021. The festival started with an interactive talk by Mr. Rajinder Joshi, Chairman of GRL Nova JVC who enlightened the students on “Cost Effective Raman and Fluorescence Spectroscopy in India”. The day further consisted of various technical events namely Mathomania and Brain Teaser. On the second day, an online session on “Analysis of Accidents” was conducted by Dr. Sally Lukose, Nodal Officer of AISHE, G.O.I. The festival concluded with a fun event, Binging and Beyond, organised by the participating departments.

- A two-day International Career Development Workshop was conducted on 1st & 3rd October 2020 to provide a complete package on best career options for bioscience students. Day 1 (1st October 2020) included three talks on the theme 'Planning, Preparation and Selection of Best Universities'. Talk 1 was delivered by Dr. Ashwini K. Ray (Assistant Professor, Department of Environment Studies, University of Delhi) on the topic 'Strategies for successful career', followed by Talk 2 by Dr. G.J. Gopal (Assistant Professor, UkaTarsadia University) on the topic 'Opportunities for Bioscience graduate' and Talk 3 by Dr. Narendra Kumar (PDF, University of Nebraska Medical Center, USA) on the topic 'Career options in Foreign/ Indian Universities'. Day 2 (3rd October 2020) included an interactive session on Career Counselling where eight members of Panel from various Universities/ Institutes across India interacted with the students.
- A two-day webinar on Applied Bioinformatics was conducted on 10th October 2020 & 12th October 2020. Dr. Deepak Sharma (Assistant Professor, Department of Biotechnology, Indian Institute of Technology, Roorkee) and Dr. Manish (School of Computational & Integrative Sciences, JNU, Delhi) were the eminent speakers.
- Online International Faculty Development Program (IFDP) for teaching cum research excellence was conducted on 16th & 17th October 2020 on the theme 'Secrets of Good Research and Successful Grant Proposals'. Day 1 (16th October 2020) included 2 talks. Talk 1 was delivered by Dr. Pankaj Kumar Chauhan (Assistant Professor, Department of Biochemistry, Jamia Hamdard University) on the topic 'Research Planning and Development', followed by talk 2 by Dr. Neeraj Singh (Deputy Librarian, A. C. Joshi Library, Punjab University) on the topic 'Research Communication and Plagiarism'. Day 2 (17th October 2020) included 2 more talks by Dr. Nishant Singh (Associate Researcher, University of Pittsburgh, USA) and Prof. Sudha Bhattacharya (Professor and Dean, School of Environmental Sciences, Jawaharlal Nehru University) on the topics 'Research in Molecular Biology' and 'Writing Successful Grant Proposals' respectively.
- A virtual tour to Yakult, Sonapat, Haryana was conducted on 20th October 2020.
- E-Speech Contest (Topic: Youth in Nation building) & Microbial Meme Competition was conducted on 19th January 2021.

- An inter-departmental annual Techfest- ELIXIR '21 was jointly organised along with the Department of Biochemistry on 29th & 30th January 2021. Two scientific talks on the theme 'Drug Discovery' were organised during the event. Dr. Amitesh Anand (Chemical Microbiologist, University of California, San Diego) and Dr. Tanya Singh (Computational Biologist, GlaxoSmithKline, UK) were the eminent speakers. Meraki: an online e-poster making competition on the topic: 'Holistic Approach to Drug Development', was also conducted on 30th January 2021. The winners were awarded with the cash prizes.
- A five-day Online Entrepreneurship & Faculty Development Program (EFDP) on 'Edible Mushrooms: From lab to Farm' conducted from 15th February 2021 to 19th February 2021. Day 1 (15th February 2021) included an address by Guest of Honor, Dr. B. L. Dhar (NN Mushroom Consulting, India) followed by a talk by Dr. Shruti Banswal (Assistant Professor, Department of Biomedical Science, SRCASW, DU) on Biology of Mushrooms. Day 2 (16th February 2021) included 2 talks by Dr. S. C. Karunarathana (Associate Researcher, Kunming Institute of Botany, Chinese Academy of Science, China) and Dr. Rajni Gupta (Associate Professor, Department of Botany, Kirori Mal College, University of Delhi). Day 3 (17th February 2021) included 2 talks by Dr. Parveen Garg (Principal, Swami Shradhanand College, University of Delhi) and Dr. Surinder Kaur (Associate Professor, Department of Botany, SGTB Khalsa College, University of Delhi). Day 4 (18th February 2021) included 2 talks by Dr. Ajay Singh (Registrar, Maharana Pratap Horticulture University, Karnal) and Ms. Monika D. Chowdhury (Founder, The Mushroom Hub, Sohna Road, Gurgaon). Day 5 (19th February 2021) included talk and training aspects by Mr. Anurag Saxena (Founder Director, Milky Way Mushroom Spawn), followed by Virtual Tour of Mushroom facility at SRCASW, DU and a Valedictory Session.
- Co-curricular activities: Face Painting Competition (Theme: Extra-terrestrial World), Essay Writing Competition (Theme: Universe from the perspective of a microbe) & Doodling Competition (Theme: CoronaVirus - The Scientific Perspective) held on 17th March 2021.
- Virtual Alumni Meet 2021 held on 10th April 2021.
- An online workshop on the technique 'FACS (Fluorescence Activated Cell Sorter)' was conducted on 12th April 2021. Dr. Vinay Gupta (Application Manager, BD Biosciences) was the resource person.

- Webinar on the topic ‘Alternative approaches to small molecule antibiotics to tackle antimicrobial resistance’ was conducted on 20th April 2021. The talk was delivered by Dr. Susmita Chaudhuri (Assistant Professor, Centre of Bio Design & Diagnostics, Translational Health in Science and Technology Institute).
- Webinar on the topic ‘COVID 19 Vaccine: where we stand and challenges ahead’ was conducted on 22nd May 2021. The talk was delivered by Dr. Ankita Anand (MD, MBBS, Consultant Microbiologist at IRL Department of Medicine, AIIMS, New Delhi).

- As a social cause, e-waste Society of Physics Department, is continuously working to spread awareness about the e-waste management and organizes e-waste collection drives. On 10th November 2020: e-waste society organised a webinar on “Sustainable Management of e-waste: Challenges and Opportunities” by Dr. Anwesha Borthakur, Marie Sktodowska Curie Postdoctoral Researcher, KU Leuven, Belgium and started a poster series named- “Know your e-waste”. The society is working under teacher coordinator Dr. Alka Vohra and Coordinator Dr. Ashok Kumar. It also includes students: Dolly Jha as President, ChhaviTomar as Vice-President, Arushi Sharma as Editor, Shivani Chauhan as Creative Head and Mahiguhappriya Prakash as Technical Head.

- A webinar series on "Fundamentals and Applications of Physics" was organised in which the following Six Lectures were conducted:
 - ✘ Lecture 1: Dr. Dhiren Kumar Pradhan, Postdoctoral Research Associate, Department of Materials Science & Engineering, University of Tennessee, Knoxville, Tennessee 37996, USA. *Magnetolectric Nanostructures for Memory and Energy Applications* held on 3rd October 2020.
 - ✘ Lecture 2: Mr. Sunil Ojha, Scientist F, Inter University Accelerator Centre (IUAC), New Delhi. *Application of Accelerators* held on 10th October 2020.
 - ✘ Lecture 3: Mr. Rajeev Ranjan Prasad, Scientist E, Reactor Design and Technology Group, Indira Gandhi Centre for Atomic Research, Kalpakkam, India. *Introduction to Nuclear Energy and its Applications* held on 17th October 2020.
 - ✘ Lecture 4: Dr. Rupesh M Das. Principal Scientist, National Physical Laboratory, New Delhi, India. *Role of CSIR National Physical Laboratory in Polar region Research Activities* held on 24th October 2020.
 - ✘ Lecture 5: Prof. Somak Ray Chaudhury, Director, Inter University Centre for Astronomy and Astrophysics, Pune, India. *Looking for black holes* held on 31st October 2020.
 - ✘ Lecture 6: Dr. V.P.S Awana, Senior Principal Scientist, National Physical Laboratory, New Delhi, India. *Superconductivity Ever Young* held on 7th November 2020.
- As a part of the social outreach program, the department organised Physics lecture classes for completion of class 11th NCERT Course, Girls Sr. Sec. School, New Kondli, Delhi – 96 held from 1st December 2020 to 22nd February 2021.
- Tachyons, the Physics society conducted "Stalwarts of Science: Knowing Indian Physicists" through official Instagram handle "Physicists_SRCASW".
- Department coordinated its technical fest TRAP on 15th & 16th January 2021 with the coalition of the Department of Chemistry, Department of Mathematics and Department of Statistics. The Physics society conducted three main events for the students:
 - ✘ 'Mind Install. was the main event of the Fest, which was an interactive physics-based simulation development competition for finding solutions to physics problems. It took place on 15th January 2021.
 - ✘ 'Razzle Dazzle' was an engaging and fun game that tested one's basic knowledge of science and their presence of mind. It was held on 16th January 2021.

- ✘ 'Insignia' was a logo designing competition held on 16th January 2021.
- Two webinar sessions were also conducted:
 - ✘ Session 1 on the topic "Cost-Effective Raman and Fluorescence Spectroscopy in India" was conducted on 15th January 2021. The Speaker was Mr. Rajendra Joshi, Founder and CEO of RI Group India and Managing Director, Rinztech Nz Ltd.
 - ✘ Session 2 was on the topic "Analysis of Accidents" on 16th January 2021. The speaker was Dr. Sally Lukose (Meritorious Service Award of ICFMT, Nodal Officer of AISHE, G.O.I., Presently: Dean School of Allied Health Science, Sharda University).

Department of Psychology

Faculty Members

Dr. Komal Chandiramani, Assistant Professor (Ad-hoc)

Dr. Nupur Gosain, Assistant Professor (Ad-hoc)

Dr. Shalini Choudhary, Assistant Professor (Ad-hoc)

Ms. Anavila Lochan, Assistant Professor (Ad-hoc)

Ms. Pallavi Preeti, Assistant Professor (Ad-hoc)

Ms. Radhika Sharma, Assistant Professor (Ad-hoc)

Activities

- A talk on "Mental Health during Pandemic" by Ms. Jigyasa Tandon, Psychologist and Founder of PSY-Fi: For a Healthy Mind was held on 26th September 2020.
- Organised an interactive session on "How to Manage Overthinking" by Ms. Allena Ali, an Expressive Arts Based Therapist, Fortis Healthcare on 26th October 2020.
- Organised an interactive session on its tech-fest Trezire'21 on "Punishment vs. Therapeutic Intervention by Ms. Anuja Trehan Kapur, Criminal Psychologist, Counsellor, Social Activist and Advocates on 27th January 2021/
- Organised a talk on its second day of tech-fest Trezire '21: "Juvenile delinquency: A Forensic Psychology Perspective by Ms. Pooja Tomar, Forensic Psychologist, Juvenile Justice Board and Tihar Prison held on 28th January 2021.
- Two days skill Enhancement Workshop on SPSS application in Data Analysis was organised on 19th & 20th March 2021 by Dr. Vibhuti Gupta, Assistant Professor, Department of Psychology, University of Delhi.

- The department in collaboration with the Department of Management and Financial Studies organised a webinar on “Sexual Harassment in Workplace” on 6th February 2021.

Department of Statistics

Faculty Members

- Dr. Deepa, Assistant Professor (Ad-hoc)
Dr. Dharendra Singh, Assistant Professor (Ad-hoc)
Dr. Sandeep Mishra, Assistant Professor (Ad-hoc)
Dr. Satish Kumar, Assistant Professor (Ad-hoc)
Mr. Ashish Kumar Garg, Assistant Professor (Ad-hoc)
Mr. Santosh Babu, Assistant Professor (Ad-hoc)

Activities

- The department in collaboration with Department of Physics, Chemistry and Mathematics organised its “Annual Technical Fest – TRAP 2020-2021 on 15th & 16th January 2021. This program organised three major events, namely – Quizalytics, Brain Teaser and DataViz. These events were a huge success with over 200+ participants from all over India in Quizalytics and Brain Teaser, and 100+ registrations in DataViz. The fest gave recognition to exceptional brainstormers that aspire to pursue greater things in future which revolve around data – the rising need of the world.
- Organised a webinar on ‘Cost Effective Raman and Fluorescence Spectroscopy in India’ by Rajendra Joshi, Founder and CEO, RI Instruments and Innovation India, Managing Director, Rinztech Nz Ltd., on 15th January 2021.
- Organised a webinar on ‘Analysis of Accidents’ by Dr. Sally Lukose, Dean, School of Allied Health Science, Sharda University, Greater Noida held on 16th January 2021.

Supporting Departments

Department of English

Faculty Members

- Mr. Piyush B. Chaudhary, Assistant Professor (Ad-hoc)
Mr. Rituraj Anand, Assistant Professor (Ad-hoc)

**Activities**

- A paper presentation competition, exclusively for the college students, was held in collaboration with the Inklings on 24th January 2021. The aim of Thought-a-Ton was to have an open discussion about social issues via paper presentations.

Department of Environmental Science**Faculty Members**

Dr. Prachi, Assistant Professor (Ad-hoc)

Dr. Smita Sundaram, Assistant Professor (Ad-hoc)

Activities

- An awareness program on ‘The Restoration of Wetlands’ in a joint venture between Azadi ka Amrut Mahotsav (MoEF&C) and SRCASW, DU.
- A two-day interactive session on World Environment Day. Mr. Arun Krishnamurthy spoke on ‘Role of Youths in environmental sustainability’ on Day 1. Ms. Sahar Mansoor and Mr. Tim De Ridder, authors of the Bare Necessities delivered a talk on how to lead a zero-waste life on Day 2.

Department of Physical Education and Sports**Faculty Member**

Dr. Bimla Pawar, Assistant Professor (Ad-hoc)

Activities

- The Sports Student Council election/interview was held on 23rd September 2020.
- Department of Physical Education and Sports under the aegis of IQAC organised a Virtual Run under the Fit India Movement (a nation-wide movement inaugurated by Hon’ble Prime Minister) to promote fitness and health. This event consisted of a run undertaken as per convenience of the participants. This event was open for all students and faculty. The event was organised on 16th & 17th October 2020. Certificates were given to the first three participants who covered maximum distance in least time.
- The department in collaboration with Department of Electronics organised a webinar on the topic Impact of Electronic Devices on Health During Lockdown and COVID-19 & Role of

Physical Education held on 19th October 2020 on online platform Google Meet which was also live streamed on YouTube. Eminent speaker for the webinar: Dr. Seema Sharma, Assistant Professor of Physical Education and Sports, Lakshmi Bai College, University of Delhi. This event was attended by more than 150 students and faculty of Shaheed Rajguru College of Applied Sciences for Women and Lakshmi Bai College.

- Interdepartmental “Chess Tournament” was organised from 9th to 11th October 2020 on Lichess App Platform 32 students from different departments of the college participated in this tournament. Further, based on the winners in the competition, students were selected for the college chess team for this session.
- Interdepartmental “Yoga Competition” was organised from 9th October 2020 to 11th October 2020 on Google Meet Platform. Total participation of 17 students was received from different departments of our college and further, based on the winners in the competition, students were selected for the college yoga team for this session.
- Inter-department “Aerobics Competition” was organised on 24th October 2020 on Google Meet Platform. 19 students from different departments of the college participated in the competition. Further, based on the winners in the competition, students were selected for the college Aerobics Team for this session.
- Organised a ‘Certificate Course in Therapeutic Yoga’ from 12th October to 11th November 2020 on Google Meet Platform for the students, staff members, family and friends.
- Organised online classes for students and staff in Yoga and Aerobics in order to keep students and staff healthy and fit during Pandemic-19. The practice was organised from 14th December 2020 till the end of the session. Approximately 80-100 students and staff took part each day.
- Organised an orientation session on 18th January 2021 on online platform Google Meet. This event was attended by more than 150 students and faculty of Shaheed Rajguru College of Applied Sciences for Women. This was an introductory session for the freshers of the academic year 2020-2021. It involved introduction of the faculty and student sports council, core committee, teams of various sports and the new sports quota students admitted in the college this year. This event aimed to provide an overview of the various events organised by the department during previous year. This event also elaborated on the accolades brought by various sports teams for the college in various inter-college and national competitions.

- Interdepartmental “Chess Tournament” was organised from 24th & 25th January 2021 on Lichess App Platform. We received total participation of 32 students from different departments of the college. Further, we got the winners for the competition and as a result of which they were selected for our college chess team for this session.
- Interdepartmental “Yoga Competition” was organised on 23rd January 2021 on Google Meet Platform, where total participation of 13 students from different departments of the college was received, Further, the winners in the competition were selected for the college yoga team for this session.
- Inter-department “Aerobics Competition” was organised on 23rd January 2021 on Google Meet platform. 16 students from different departments of the college participated in the event. Further, based on the winners in the competition, students were selected for the college Aerobics Team for this session.
- The 5th Annual Sports Fest Spardhaa’21 was organised online on 12th & 13th March 2021. The word “Spardhaa” signifying healthy competition, the fest serves as a huge platform for the participants to exhibit their talent, leadership and comradery. Keeping in mind the prevailing COVID-19, only those events which could be organised online were included in the fest.
- The department with NSS unit of the college under the aegis of IQAC organised a Community Outreach Program titled "Integrating Mind, Body and Soul by practice of Pranayama, Yogic Postures and Meditation" jointly with Prem Sukh International Charitable Trust, Delhi from 1st to 21st June 2021 as prelude to International Yoga Day 2021. This 21-day live program was on zoom online platform and was open to all communities. The International Yoga Day was also celebrated online on 21st June 2021 on conclusion of this 21-day program. There were 896 registrations under this program from schools, colleges, community centres from various parts of India and abroad, who joined and got benefitted. The list of Institutions who joined in the program with their students and staff are as follows:
 - ✘ St. Lawrence Public Sr. Sec School, Dilshad Garden
 - ✘ Sarada Vidya Mandir
 - ✘ Lovely Public Senior Secondary School, Priyadarshini Vihar, East Delhi
 - ✘ Rama Convent School, Babrala, Sambhal, Uttar Pradesh
 - ✘ Heera Lal Public School, Madan Pur, Dabas, Delhi - 110081

- ✘ Shaheed Rajguru College of Applied Sciences for Women, University of Delhi
- ✘ BSM PublicSchool, Karala, Delhi - 110081
- ✘ KVS, Rohini, Sector 8, Delhi – 110 085
- ✘ Birla Divya Jyoti School
- ✘ Sarvodya Vidyalaya No.1, Mori Gate, Delhi
- ✘ Sri Aurbindo College, University of Delhi
- ✘ Panchdeep, Pitampura
- ✘ SwahidKushal Kunwar High School
- ✘ Margaret (S.N.) English School
- ✘ Rishikul Ayurvedic College, Haridwar
- ✘ G. G. Sr. Sec. School No.3, Sarojini Nagar
- ✘ Bir Tikendrajit University
- ✘ Pooran Prajanma Public School
- ✘ Banasthali Vidyapith
- ✘ Rajkiya Sarvodaya Kanya Vidyalaya Laxmi Nagar Delhi-110092

Experts were invited from various fields to bring awareness on different useful topics related to Yoga and Wellness.

Library

Dr. Projes Roy, Librarian

Activities

The library of the college has initiated online resource accessibility to the students and faculty members through NLIST and DULS resources. The existing students and faculty members' individual ID's have been upgraded. For first year students, individual login ID's for LIST have been created to access more than 5000 e-Journals and more than 135000 e-books.

The library has also conducted fifteen orientation programs for the first-year students. The orientation program was conducted for each of the department of the college.

Achievements

1. Received honorary membership from American Society for Sciences and Technology (ASIS&T) for the year 2020-21.
2. Editor of iReserach – Journal of Library and Information studies, published by Society of Information Science and Technology, Delhi.

Paper Presented

S.No.	Name of the Department	Name of the Faculty	Details of Paper Presented
1	Chemistry	Dr. Jasjeet Kaur	Kaur, J. (2020). Presented paper on a novel base material for small particle reagent, at Twenty first All India Conference of Directors of Finger Print Bureaux-2020, at National Crime Records Bureau, New Delhi, held on 13 th to 14 th October 2020.
2		Dr. Parul	Awarded with Mrs. Laxmi Sen memorial award (GBP 100) for the oral presentation in the second international conference held on 14th July 2020 - 16th July 2020,

			organised by university of central lancashire, Preston, United Kingdom, on the topic of “Functional Nanomaterials in industrial applications academy-industry-clinicians Meet”
3	Computer Science	Ms. Deepali Bajaj	Presented a paper titled “Serverless Deployment of a Voice-Bot for Visually Impaired” In proceedings of 5th International Conference on Applied Soft Computing and Communication Networks (ACN’20), Chennai, India, SpringerLecture Notes in Networks and Systems Series(LNNS), Scopus Indexed, held on 14th to 17th October 2020.
4			Presented a paper titled “Experiences in setting up Hadoop Environment and running MapReduce job for teaching Big Data Analytics in Universities” In proceedings of 2 nd International Conference on Communication, Networks and Computing (CNC -2019) Gwalior, India, Springer Communications in Computer and Information Science Series (CCIS), Scopus Indexed, held on 29th to 31 st December 2020.
5	Food Technology	Ms. Para Dholakia	Presented a paper on “Phytochemical and radical scavenging activity of Bauhinia variegata(Kachnar) stem” in International Conference and Webinar on Agriculture production and Food Safety, ITTT, Dehradun held on 12th July 2020.
6		Ms.Prabhjot Kaur Sabharwal	Presented a paper on “Phytochemical and radical scavenging activity of Bauhinia variegata(Kachnar) stem” in International Conference and Webinar on Agriculture production and Food Safety, ITTT, Dehradun on 12th July 2020.
7		Ms. Saumya Chaturvedi	Presented a paper on “Impact of COVID-19 Pandemic on the Indian Food processing Industry:FSSAI,MOFPI guidelines and Industry case studies” in International Conference and Webinar on Agriculture production and Food Safety, ITTT, Dehradun held on 12 July 2020.
8		Ms. Vandana	Presented a paper on “A study on the detection of heavy metal contaminants in food” in International Conference

			and Webinar on Agriculture production and Food Safety, ITTT, Dehradun held on 12 July 2020.
9			Presented a paper on “Pesticide: Current Impact and use in the Indian scenario” in International Conference and Webinar on Agriculture production and Food Safety, ITTT, Dehradun held on 12 July 2020.
10	Management Studies	Mr. Rajdeep Singh	Paper Presentation Titled ‘Beyond Financial Trade-off: The Mediating Role of Investor’s Attitude towards Investor Relations websites in International Young Researcher’s Conclave held on 25 th - 26 th September 2020.
11		Ms. Rableen Kaur Rao	Paper Presentation Titled ‘Flipped Classroom: An Innovative Teaching Paradigm’ in National e-Conference on SDG-4 organised by PHD Chamber of Commerce and Industry on theme of COVID-19: Recalibrating Indian Education System held on 24 th July 2020.
12			Paper Presentation Titled ‘Generation To Generation: Succession To Sustainability - How Does A Family Business Succeed To Sustain Multiple Generations?’ in One-Day Online International Multi-Disciplinary Conference on “Current trends, Policies & issues in the field of Commerce, Management, Economics, Law & Social Sciences” held on 14 th June 2020.
13			Paper Presentation Titled ‘New Trends in Start-up: Fractional Leadership’ in One-Day Online International Multi-Disciplinary Conference on “Current trends, Policies & issues in the field of Commerce, Management, Economics, Law & Social Sciences” held on 14 th June 2020.
14			Paper Presentation Titled ‘ Beyond Financial Trade-off: The Mediating Role of Investor’s Attitude towards Investor Relations websites in International Young Researcher’s Conclave held on 25 th & 26 th September 2020.
15	Mathematics	Ms. Tanvi	Paper presented “Mathematical Modeling of a Cluster Based Novel Coronavirus: A Case Study of India” in the 20 th International Symposium on Mathematical and Computational Biology (BIOMAT 2020) held on 1 st to 6 th November 2020.

16	Microbiology	Dr. Rekha Mehrotra	Paper presented: Singh, S., Singh, A., Singh, H., Pal, P., Bharteye, P., Mehrotra, R. & Sundaram, S. (2021). Biogas technology and future prospective Selected for poster presentation in International Conference on Recent Technologies and Advanced Materials for Green Energy and Sustainable Environment (RTAMGESE-2021) held at NIT Tiruchirappalli, near BHEL, Tamil Nadu 620015 held on 12 th to 13 th March 2021.
17	Psychology	Dr. Komal Chandiramani	Paper presented: Kirti Mundra, Saloni Sharma and Dr. Komal Chandiramani (2020) Job Satisfaction and Organizational Commitment: A Gender Based Statistical Interrogation in International Young Researcher's Conclave, SRCASW, DU held on 25th to 26th September 2020)
18		Dr. Nupur Gosain	Paper Presented: One-Day Online International Multi-Disciplinary Conference on "Current trends, Policies & issues in the field of Commerce, Management, Economics, Law & Social Sciences" organised by Shurparaka Educational & Medical Trust's M.B.Harris College Of Arts &A.E.Kalsekar College Of Commerce & Management, Nallasopara (West), Maharashtra heldon 14th June 2020.
19	English	Mr. Rituraj Anand	Presented a paper: From Representation to Re-presentation: A study of Disability in Literature and Cinema in the 5th Interdisciplinary National Conference titled Representation of Disability in Literature and Cinema organised by Maharaja Agrasen College, University of Delhi, held on 15 th to 20 th June 2020.
20			Presented a paper: Journey of Transgender in India: Through the lens of 'I am Vidya' in the National Level Conference on Pandemic, Literature and Survival organised by the Department of English, Bishop Caldwell College, Maravanmadam, Thoothukudi held on 28th July to 3 rd August 2020.
21	Environmental Science	Dr. Smita Sundaram	Paper presented: Singh, S., Singh,A., Singh, H., Pal, P., Bharteye, P., Mehrotra, R. & Sundaram, S. (2021). Biogas technology and future prospective Selected for poster

			presentation in International Conference on Recent Technologies and Advanced Materials for Green Energy and Sustainable Environment (RTAMGESE-2021) held at NIT Tiruchirappalli held on 12th to 13th March 2021.

1	Physics	Dr. Amit Kumar	Amit Kumar, Participated and presented poster on “Magnetic refrigeration and critical behavior of the perovskite hexagonal polytypes: A review and analysis” in International Conference on Bio-Electronics & Informatics in Present Scenario held on 26th to 27th June 2020.
2		Dr. Ashok Kumar	Ashok Kumar, Participated and presented poster on “Effect of X-ray dose on Etching Parameters of Lexan Polycarbonate Plastic Detector” in International Conference on Bio-Electronics & Informatics in Present Scenario held on held on 26 th to 27 th June 2020. Ashok Kumar, Participated and presented poster on “Investigation of UV radiation effect on etching parameters and activation energy of CR-39 plastic detector” in DAE-BRNS High Energy Physics Symposium 2020 held on 14 th to 18 th December 2020.

Resource Person/Invited Talks

S.No.	Department	Name of the Faculty	Contribution
1	Biochemistry	Dr. Alok Kumar Singh	Invited as a resource person on “Students’ role in nation building” organised by Department of Computer Science and Engineering / Information Technology, SIRT, Sage University on 29 th October 2020
2			Invited as a resource person in the webinar on “National Education Policy – 2020, a holistic education for new India” organised by UBA and NSS, SRCASW, DU on 29 th September 2020

3			Invited as a guest of honour in the webinar on “Atmanirbhar Bharat” organised by Student for Holistic Development of Humanity, Haryana & Gurugram University held on 8 th June 2021
4		Dr. Radhika Bakhshi	Invited as a Resource person on Channelizing Youth Power For Nation Building organised by Atma Ram Sanatan Dharama College, University of Delhi held on 12 th January 2021
5	Biomedical Science	Dr. Shrutika Banswal	Invited as a resource person in online Faculty Development Program on Edible Mushrooms - From Lab to Farm organised by Department of Microbiology under aegis of IQAC and delivered a talk entitled “Biology of Mushrooms” held on 15 th February 2021 to 19 th February 2021.

Ek Bharat Shreshtha Bharat (EBSB Club)

Teacher Coordinator: Dr. Manisha Khatri, Assistant Professor, Department of Biomedical Science

Established in January 2020, EBSB Club was created under the 'Ek Bharat Shreshtha Bharat' initiative of MoE, Government of India. The ideology was proposed by the Honourable Prime Minister on 31st October 2015, the birth anniversary of Sardar Vallabhbhai Patel, who is known for uniting the country as one nation. Under this initiative, the states and the union territories of the nation are paired with each other. Hence, Delhi has been paired with Sikkim.

The aim of the society is to “celebrate the unity in diversity of our country”; to inspire the youth to be a force for equality and to become more culturally inclusive in their everyday interactions. We strive to provide a platform for people to share, discuss, interact, learn and propagate the diversity of our country with zeal and enthusiasm. Keeping that in mind, EBSB Club strives to conduct various engaging activities that promote the culture, traditions, language, folk dance, folk music and cuisine of Sikkim. The Club strives to conduct at least one event per month apart from its regular meetings and discussions. Since its inception EBSB Club has organised various events. Over the course of the year, the club has covered cuisine, history, wildlife and flora, folklore, art, native dialect, tourism sector, attire, music, Sikkim language and so much more; to provide a holistic cultural knowledge and integration to its members and participants.

- An inter-college micro tale competition ‘Pennedlores’ was held from 13th-20th August 2020, where the participants were given a week to submit their original rewrites of any mythological story/ folklore.

- An inter-college quiz competition ‘Qriosity’ with an opportunity to learn some amazing facts about the picturesque state, Sikkim. The event was organised on 27th September 2020 and included 3 different rounds: Spotting, General Knowledge and Rapid Fire. From pictures of the famous alumni, food, artworks to the general facts about the state, the event covered it all.
- The event Treasure Hunt was held on 11th October 2020. It included 3 different rounds: Decode Us, Treasure Hunt and Memory Game. The participants were required to decode the words written in Sikkimese script, answer questions about the state, EBSB initiative etc. Apart from this, the participants were kept on their toes throughout the event, answering riddles and bonus questions while running around the house.
- Language is the key to communication and often appears as a major roadblock while trying to understand different cultures and people. To negate this roadblock, from 3rd-5th December, every Saturday and Tuesday, EBSB Club held a 30 minutes virtual Student-run Sikkimese Class Session to better understand and learn the Sikkimese (Bhutia) language.
- National Level Online Inter-School Drawing Competition was organised by EBSB Club on 25th January 2021, on the topic "Ek Bharat Shreshtha Bharat", to foster the spirit of unity in diversity among children of all age groups on the occasion of Republic Day. The participants were divided in 3 different age groups - primary, middle and senior. Primary included students till grade 2, whereas grade 3-8 and 9-12 was included under middle and senior category, respectively. The event saw massive participation, 150+ students from almost all the major schools across the country.
- EBSB Conclave: EBSB Club organised its first annual fest “EBSB Conclave” spanning 3 days, from 29th-31st January 2021. An all-time new record of participation was seen for this 3-day event, with 300+ students joining over the course of 3 days in 3 different events.
- *Present-a-state*: In this event, the participants had to showcase their state in their own unique way. 27 participants from different states across the country such as Rajasthan, Hyderabad, Bihar, Gujarat etc. showcased the cultural diversity of their state through dancing, singing, speech, presentation, poem recitations etc. The winner was awarded a cash-prize and a shout-out on our social media handles.
- EBSB conducted a webinar on the topic addressed by the guest speaker, Mrs. Tseringkee Chingapa - Joint Director, Education Department, Government of Sikkim, on the topic

'Sikkim's Cultural Legacy and its Preservation'. The webinar was conducted on Google Meet. Overall, it was a successful and knowledgeable event with the emphasis on making the audience more culturally inclusive and aware.

- EBSB organised a musical evening called 'Musegy' to provide a soulful ending to the 3-day long fest. The event featured Ms. Roshni Tamang, a musician from Sikkim who left the audience spellbound with her Nepali song. The event also showcased Hindi artists- Mr. Soumalya Sarkar and Mr. Anshu Sinha. In between the musical sets, the council conducted games and fillers with the audience.
- Sell-me-Sikkim: EBSB Club under the banner of Karvaan'21, conducted a round-table debate competition called 'Sell Me Sikkim' on 18th February 2021, where the participants had to showcase their research, marketing and debating skills. Each participant was given a different sector of the state of Sikkim such as tourism, education, culture etc. and was in-charge of its development. They had to try and pitch their sector to the council, which acted as a panel of investors. The aim of the event was to get the participants to do an in-depth research on the different sectors of Sikkim and to orient themselves as a part of that sector and community, to come up with arguments and discussions to help their sectors and to research the other sectors to come up with counter arguments etc. This made the participants discover facts about Sikkim that they otherwise would never have learned about.
- Language Classes: The Club continued with its Sikkim language learning classes from 3rd March-5th April 2021 with weekly sessions to learn new sentences and to revise the previous lessons.
- Sikkimese Song: As a next step to learning the Bhutia (Sikkimese) language, the club chose a soulful song to learn, named 'Tashi Shabdro' from 1st April-9th May 2021, the members learnt the pronunciation of the whole song. This was a great experience for the members to not only learn the pronunciation of the language but also to get a glimpse into the music sector of the state. This is the YouTube link to the song with its English meaning and Sikkimese pronunciation -- <https://youtu.be/dWb81zvZdzU>
- Sikkim State Day: On the occasion of Sikkim State Day on 16th May 2021, the club held a discussion over the different festivals of Sikkim, revised our language lessons and Sikkimese song. The members were assigned to provide different facts about the state. The event was to reflect on all the knowledge we gained throughout the year and to reflect on our growth.

Pravridhi – Eco Club

Pravridhi, Eco-Club of Shaheed Rajguru College of Applied Sciences for Women established in 2005 by a group of teachers and active students. It is part of the National Green Corps, a program

under the MoEF&CC, Government of India, 2001. Pravridhi aims to create and incorporate the concepts of environmental awareness and sustainable development through various activities in and around the college. It recognizes the significance and the pivotal role of the students and youths in safeguarding future sustainability that will improve the environment. The society conducts various activities, workshops and interactive sessions that help students in understanding local issues in the global context.

The year 2020 has faced an unprecedented time of the COVID-19 pandemic. Yet Pravridhi endeavoured to create a feasible and inclusive infrastructure to inspire and motivate students through online activities and webinars. Pravridhi ensured its aim by engaging students, teachers and the public. It maintained a circulation and the dissemination of the information through videos, write-ups, presentations that were regularly uploaded on the web page and social groups of the eco-club. For instance, an online weekly awareness program on herbal plants through the 'Plant of the Week' campaign was organised. Unnat Bharat Abhiyan 2.0

Chairperson: Prof. Dr. Payal Mago, Principal, SRCASW

Teacher Convener: Dr. Lakshmi Pasricha Sarin, Assistant Professor, Department of Biochemistry;

Teacher Co-convener: Dr. Mohita Bhagat, Assistant Professor, Department of Biochemistry

Unnat Bharat Abhiyan (UBA) is a flagship program of MoE, Govt of India. The program was initiated by a group of dedicated faculty members of IIT Delhi working consistently in the field of rural development as well as technology and was officially launched by the Ministry of Human Resource Development (MoE). UBA aims at engaging the faculty members and students

of Higher Educational Institutions (HEI) in the goal of improving the social and economic well-being of the rural communities. The knowledge base and the resources of the premier institutions of the country are to be leveraged to bring in transformational change in the rural development process. It also aims to create a vibrant relationship between the society and the HEI, with the latter providing the required knowledge and technology support to improve the lives of rural people and to enhance the capabilities of both the public and private organisations in the society.

The college has been selected as the participating institution under Unnat Bharat Abhiyan (UBA) through a challenge mode application. Since then, the students along with the faculty have been working to fulfil the goals set before them so as to bring a positive transformational change in the adopted rural communities.

Hindi Samaj also spread awareness about important personalities in Hindi literature and Indian cultural events through social media. Be it the birth anniversary of Dr. APJ Abdul Kalam or Diwali, Hindi Samaj gave importance to all events related to Indian heritage.

- *Naye Lekhak ki Khoj* : Inklings launched a new program that aims to promote the talent of new and undiscovered writers. This was done so as to encourage the writers to convey their talent and creativity through the medium of Hindi language.
- *Masti ki Pathshala* : It is an initiative to help others learn the Hindi equivalent for certain English words and was commenced during Hindi Diwas. Certain common English words used on a regular basis by students, were selected and their Hindi equivalents were posted on Instagram stories on Inklings' official account regularly.
- *Logo Designing Competition* : A logo designing competition was conducted on 5th September 2020. The winner was given a shoutout on our social media accounts.
- *Meraki* : On the occasion of World Mental Health Day on 10th October, 2020, an open mic event was conducted in collaboration with Philyra, the music society of SRCASW. The students came together to showcase their performances and expressed their views on mental health through music and poetry.
- *Inktober*: Inklings organised its first Month-long event in October 2020. Every year in the month of October, artists all over the world take part in Inktober to polish and hone their arts, and this year Inklings decided to partake in this event. Participants were invited to send in

their entries and take part in the month-long event. Prompts, in both English and Hindi, were sent out weekly from 2nd October to 31st October. The event saw participation from literary enthusiasts from all over the country and e-certificates were awarded to the top three entries of each category.

- **Masked Affair** : As a reprieve from the new normal during lockdown and to celebrate the occasion of Halloween, a face painting competition was conducted from 31st October-5th November, 2020, exclusively for the students of SRCASW. The event recognised this new form of creative expression, Body and Face Painting, that the student body had taken up during lockdown, to provide a fresh outlook towards art and expression. The participants were also asked to describe their creations in a few lines and explain what they symbolise. The submissions exuded creativity and the top five were published in the college magazine, Aakriti.
- **Thought-a-Thon**: A paper presentation competition, exclusively for the Rajguru students, was held in collaboration with the Department of English on 24th January 2020. The aim of Thought-a-Ton was to have an open discussion about social issues via Paper Presentations.
- **Quintessence** : The annual literary fest of SRCASW was held on 5th - 6th February 2021 with as much pomp and splendour as would be allowed, given the constraints of an online platform. Despite that, the fest saw great participation from colleges all over India, and was a delightful event. The various events that were conducted under Quintessence are as follows:
 1. *Jaadu-E-Alfaaz* : It was an open-mic event where participants were allowed to take the stage and let their emotions flow in the form of rap, poetry, song and poem. The event saw tremendous participation, with seventy registrations within the first few hours itself. The vibe of the event was simply beautiful, with participants expressing their creativity with the same enthusiasm and vigor as they would've in an offline event.
 2. *Heads and Tales*: It was a Creative Writing Competition which again saw an inflod of responses, seeing about 207 submissions in total. Picture prompts were uploaded and 24 hours were given for the participants to send in their entries, each entry showcasing a different perspective to the picture and a peek into the writers' imagination and thought-process.
 3. *Memetopia*: A Meme Making Competition, filled with piquant commentaries mixed with hilarity, was also conducted for participants of literary wit.

4. *Mukhatib* : It was an enlightening Webinar by Dr. Anuradha Bhattacharyya, a renowned author and the recipient of best book award by the Chandigarh Sahitya Akademi. The topic of the webinar was 'Process of Writing a Book', wherein she shared her process of writing, personal anecdotes, invaluable insights and answered the questions of aspiring writers in the audience.
 5. The Hindi Samaj launched a brochure describing Indian culture and beliefs during Quintessence and shared book reviews of popular Hindi books such as 'Gunahon Ka Devta' on the official social media handles. There were numerous entries in Hindi for the variety of writing competitions and open-mic events held during the fest.
- Eloquentia'21 : Inklings organised an annual literary festival on 17th-18th February'21, Inklings organised 221 Booker Street: A Literary Quiz competition, quite akin to a treasure hunt. The competition consisted of 3 rounds with each round giving a unique twist to a traditional quiz game, from trivia rounds on movie and literary adaptations to guessing the badly narrated plots and riddles involving authors, writers, poets etc.
 - International Women's Day : On the occasion of International Women's day (8th March, 2021), members of Inklings were invited to submit articles, poems and art work regarding or relating to women and their issues. The submissions, dedicated to women by women, were inspiring and empowering.

Science Setu in collaboration with Translational Health Science and Technology Institute (THSTI)

Teacher Coordinator: Dr. Manisha Khatri, Assistant Professor, Department of Biomedical Science

In April 2017, the college collaborated with Translational Health Science and Technology Institute (THSTI), an Institute of the Department of Biotechnology, Government of India, under prestigious SRCASW-THSTI Science Setu Program for three years. In August 2020 the collaboration extended for another three years. This is an initiative to contribute to the national goal of encouraging more and more bright young minds to take up the pursuit of science and technology as a career option. In the fourth year of the collaboration, three activities were

organised to address the changing needs of teaching, learning and research in biological sciences.

Activities

1. On 1st October 2020, a 'Training and Awareness Session' in association with Project MANAV was organised. Dr. Anupma Harshal, was the guest speaker for the day and her session covered an in-depth explanation of "How to Read Scientific Literature" followed by an introduction to "Project MANAV: The Human Atlas Initiative". Dr. Harshal enlightened the students about the different online journal libraries regarding databases of references and abstracts and the correct way to choose the journal to read. It helped students enhance their knowledge in the field of research and expand their awareness.
2. On 18th October 2020, a webinar was organised in the online mode aimed at briefing the students about the COVID-19 Pandemic. The program included talks by Dr. Tripti Shrivastava (Senior Research Scientist, THSTI) and Dr. Sweety Samal (Senior Research Scientist, THSTI). The students understood the implications of the pandemic and the possible interventions for it.
3. On 11th May 2021, World Technology Day was celebrated and webinars were conducted. Prof. Pramod Garg, Executive Director, DBT-THSTI, Faridabad exhorted the young students and scientists to engage in medical technology towards achieving India's laudable goal of atmanirbharta in Science much like the successes in space and defence. The Director and four other scientists from THSTI interacted with the students and apprised them with the new cutting edge technologies. Dr. Bhabatosh Das talked about understanding the human microbiome. Dr. Pallavi Kshetrapal, Dr. Yogita Adlakha and Dr. Vidushi Gupta were among the other speakers.

Spic Macay

Teacher Coordinator: Dr. Sneha Kabra, Assistant Professor, Department of Instrumentation;

Teacher Co-coordinator: Ms. Himani Dua, Assistant Professor, Department of Instrumentation

Every year Spic Macay organizes numerous programs, which is attended by a large number of students. Carrying forward the same legacy, Shaheed Rajguru Chapter organised its orientation

program on 30th March 2021. The orientation was attended by 80+ students and also the teachers. The honorable speakers of the orientation were Shri Arun Sahay, Smt. Usha Ravichandran, Shri Shaswat and Shri Karan Nanda. The orientation also witnessed the presence of Ms. Saraswati. The program started with the inspiring speech of Prof. Dr. Payal Mago, SRCASW, followed by the motivational speech of Dr. Sneha Kabra, Convener of Spic Macay creating enthusiasm among the students. A video entitled 'Discover Yourself' was shown to all the students to introduce them to the Spic Macay World. Moving ahead, the program witnessed the inspiring words of Shri Arun Sahay, the first speaker, who has also served Spic Macay as a volunteer for several years and has been its national chairperson from 2015-2019. Then, a video was shown to the students to introduce them to the world of classical music and dance and folk music and folk dance. After that, the next speaker, Smt. Usha Ravichandran was invited to share her wonderful insights about Spic Macay followed by the third speaker, Shri. Shaswat Jaya Krishnan, who enlightened the students about Spic Macay heritage club. To build up the zeal among students, a short video was played, in which young people spoke about their experience with Spic Macay. Following this our fourth speaker, Shri Karan Nanda was invited to share his motivating words on Volunteerism and the spirit of Nishkam Seva. The orientation program was a great success for the Shaheed Rajguru Chapter.

Annual Cultural Events

Cultural Secretary: Dr. Sadhna Jain, Associate Professor, Department of Biochemistry;
Student Advisor: Ms. Venika Gupta, Associate Professor, Department of Electronics

Republic Day

The college celebrated Republic Day with utmost patriotic fervor on 26th January 2021. The tricolour flag was hoisted and the national anthem echoed in the campus. Prof. Dr. Payal Mago spoke about India's freedom struggle and the sacrifices which led to India becoming an independent nation. Her inspiring speech was followed by a patriotic poem and a solo music performance by student council members.

Psychometric Assessment

The student council conducted a free psychometric assessment for the students of all years in collaboration with UPES and Pearl Academy to help them make an informed decision regarding their prospects.

Karvaan'21

The college organised its Annual Cultural Fest Karvaan 2021 from 18th-20th February 2021 in the online mode. The event was kicked off by a dynamic panel discussion on the topic 'Role of Women in the Development of India' with an all-star panel comprising of Dr. Sudha Bhattacharya (Sr. Scientist, INA), Dr. Samiksha Ojha (Dean, Pearl School of Creative Business) and Ms. Advaita Kala (Author, Screenwriter). A vast multitude of cultural competitions and games were organised by different societies of the college such as — the street play society 'Mukhauta' organised 'Darpan'(Short-film Festival), the music society 'Philyra' organised 'Nirvana' (Indian solo), the fine arts society 'Elvira' organised many creative arts competitions, the fashion society 'Glamfire' organised 'Mr. & Ms. Karvaan', the robotics club organised 'Expo'21', the travel society 'Globetrotters' organised 'Trip-o-Mania' and many more engaging events were organised by different societies of the college enriching the cultural experience and fostering a healthy competitive spirit amongst participants from various colleges. The student council also organised a 'Comedy Night' as the star event featuring comedian Mr. Rohan Gujral of Comicistaan 2 fame. Mr. Gujral left the student in splits with his funny quips and relatable banter and the event was wrapped up on an extremely positive note.

Online Scribble Day

The student council orchestrated a virtual 'Scribble Day' for outgoing final-year students on the Relic App platform which enabled friends and acquaintances alike to exchange well wishes and farewell messages.
