ABOUT THE COLLEGE

A premier institute of higher education, affiliated to the University of Delhi, Shaheed Rajguru College of Applied Sciences for Women was established in 1989. The sprawling campus possesses state-of-art laboratories, modern classrooms, spacious auditorium, automated library and a hostel for more than 100 residents. The college is presently running 14 Undergraduate courses, including those of applied sciences, pure sciences, management studies and psychology. The aim of the college is to provide high academic standards and to play a pioneering role in Research and development.

The college faculty has contributed immensely to the advancement of education and research. The well placed alumni are the pride of the institution. The college has efficient support staff to assist in the smooth functioning of various laboratories and administrative work.

ABOUT THE WORKSHOP

The college is organizing a one week Para-teaching Workshop from Dec 15th to 21st December, 2017; jointly sponsored by UGC and DBT Star College Scheme. The aim of the workshop is to enhance the skills of Para-teaching staff employed in College and University departments across the country in various disciplines like electronics, physics, chemistry and biology.

The workshop shall provide hands-on training on basic as well as advanced techniques and instruments essential for the smooth functioning of the laboratories. There will be ample opportunities for deliberating on issues pertaining to upkeep of equipments and machinery. It will also provide a platform for exchanging views so as to ensure a seamless transfer of knowledge from faculty to students. The program contents are chosen and structured to meet the needs of each of the target groups of technicians and laboratory staff in Universities and Colleges.

Some of the salient features of the training programs are:

- Lecture sessions on Good Lab Practices
- Intensive hands-on sessions
- Comprehensive documentation
- Special session on basic computer skills
- Operation, calibration and maintenance of laboratory instruments
- Interactive sessions

PARTICIPATION GUIDELINES

- Interested participants can apply online as well as offline with duly filled in form latest by **20th Nov, 2017**.
- Only limited seats are available, therefore registration shall be made on “first come, first serve” basis. Please note that no refund of fees shall be made later on.
- The participation fee is **Rs. 500** (Rs five hundred only).

REGISTRATION PROCESS

Online link for filing the form:

National Para-Teaching Staff Skill Enhancement Workshop (PTSSEW 2017)

The College organised a one week Para teaching staff skill enhancement Workshop (PTSSEW) from Dec 15-21 December, 2017; jointly sponsor by IEEE Delhi chapter, UGC and DBT Star College Scheme. It was attended by 43 participants from various parts of India. The work shop was inaugurated by Chief Guest Dr. Garima Gupta, Scientist E, DBT followed by Inaugural lecture on work ethics by Dr. S. Lakshmi Devi, Founder Principal, Shaheed Rajguru College. Various technical hands on sessions viz. Introduction to measuring instruments, study of PCB of power supply, function of various features of function generator and CRO, their trouble shooting, Chemical Inventory Management, 'Safety in lab' and Repair and maintenance of analytical instruments' were organised by eminent academicians and industry persons. Session on personal grooming was also organised for the participants. Delhi visit was organised for

participants from outside Delhi. The Valedictory session was successfully conducted on 21st December, wherein the Chief Guest Dr. Suman Govil, Advisor, DBT, emphasised on the important contribution of the Para teaching staff in the upliftment of the organisation.
