Letter to college evaluators May-June 2023 External Inbox x

Dean, Examinations University of Delhi <dean_exam@du.ac.in>
to evalmj23, Vice, dir_udsc, Registrar, dean_colleges

Thu, May 18, 1:52 PM

Dear Colleagues:

First of all, let me thank each one of you for your active support and help in the examination/evaluation process. Declaration of results in a time-bound manner is the ultimate goal and the University of Delhi is committed to the same. To this context, I appeal to all colleagues to please report to the evaluation center for evaluation of the script, all the teachers who have taught a course are an examiner, so everyone MUST report to the Central Evaluation Centre (CEC) [Listed below].

Please note that evaluation will start from the 5th day of examination of the said paper; so report to the evaluation center accordingly.

It may be noted that every evaluator should evaluate 100 scripts or the ratio of a total number of scripts divided by total number of evaluators, whichever is higher. The evaluation timeline is as below:

1. Up to 50 answer scripts - 3 days
2. 50 - 100 answer scripts - 4 days
3. More Than 100 answer scripts - @ 25 copies per day

All the CECs are requested to adhere to the timeline and keep the examination branch updated about the progress of evaluation on a daily basis.

Help and cooperation of all the concerned will be truly appreciated and it will help us to declare results on time.

Sincerely,
Dean Examinations
