ABOUT THE COLLEGE

Shaheed Rajguru College of Applied Sciences for Women affiliated to University of Delhi was established in the year 1989. The college is accredited with NAAC A+ grade and is ranked 36 in the NIRF ranking. It is a DBT star college, Govt. of India. The College offers B.Sc. (Hons) in several basic and applied science courses. These courses provide the platform where the students are equipped with essential and practical knowledge to face the challenging positions worldwide. Besides regular courses, the college routinely conducts conferences, workshops and seminars on various relevant fields. The college puts a strong foot forward to imbibe ethical values with the aim of inculcating self-reliance attitude in young women.

VISION OF THE DEPARTMENT OF MICROBIOLOGY

The Department of Microbiology started functioning in the college from 2017. The vision of the Microbiology Department is to educate and train students in the discipline of microbiology and to expand the body of knowledge in the scientific field through active research. The department also aims at creating awareness and sensitizing a common man through social outreach programs about the importance of microorganisms affecting each one of us. The department emphasizes in imparting skill sets to students so that they not only become job seekers but also job providers in the long run. Moving in this direction, the department initiated mushroom cultivation in the college itself in the year 2020. Gradually, they were marketed amongst college staff and local vendors. This is our first step towards bio-entrepreneurship.

ABOUT THE CONFERENCE

Bio-technology is one of the fastest growing sectors in India which involves the use of biological resources to make products beneficial to humans. This conference aims at educating young entrepreneurs about Bio-entrepreneurship and providing them with a platform where they can interact with industry professionals to expand their knowledge. The attendees will explore entrepreneurial opportunities in biological sciences and will be trained on how to set up business ventures. Interactions with the other students and the faculty attending, will provide them opportunities for collaborations as well as the confidence to establish their own start-ups.

INVITATION

On behalf of the organizing committee, we feel immense pleasure to invite you to the national Conference on Bioentrepreneurship - Academia to Industry, organized by the Department of Microbiology, Shaheed Rajguru College Of Applied Sciences For Women, University of Delhi, New Delhi.

This will provide young students and researchers with insight and valuable knowledge about the opportunities for entrepreneurship and innovations in services or products related to the field of biotechnology. The event will be graced by several eminent scientists with a high level of expertise and immense knowledge in the same field. Apart from the talks, Poster Presentations and Entrepreneurial Idea Presentations will also take place.

HIGHLIGHTS OF THE CONFERENCE

- Creating an interdisciplinary platform for interaction of academia, young entrepreneurs and industry personnel.
- Since the target audience will be from biological sciences and we have a huge market in the area related to biological sciences such as several industries namely, food, pharmaceutical, microbial enzymes, industrial waste management, agriculture etc, so it offers a huge potential and wide scope to establish business in these sectors.
- Discussion about various business models.
- Dialogue about the development of a business model, its potential and the associated risks.
- Aiming for business collaborations for the future.
- Motivating young minds to have their own start up and provide jobs to others as well.
- Encouraging not only academia but also people from any section of the society irrespective of their educational background.

IMPORTANT DATES

Registration and Abstract Submission Deadline	20 th February 2023
---	--------------------------------

DISTINGUISHED SPEAKERS

Prof. Pawan K. Dhar
School of Biotechnology,
JNU, New Delhi

Dr. Anil Wali
Managing Director,
Foundation for Innovation and
Technology Transfer, IIT Delhi

Prof. Rajeev Kaul
Head, Dept. of Microbiology,
University of Delhi South
Campus

Prof. Swati Saha
Coordinator,
BioNEST-UDSC, University of
Delhi South Campus

Dr. Nidhi Adlakh
Assistant Professor,
Regional Centre for
Biotechnology

Dr. Suman Gupta
Chief Operation Officer,
Regional Centre for
Biotechnology

Mr. Arpit Dhupar
Founder,
Dharaksha Ecosolutions
Pvt. Ltd.

Dr. Pooja Phogat
Chief Executive Officer,
Krystelis India Pvt. Ltd.

Ms. Sonia Madan
Co-founder and Director,
INTE-E-LABS Pvt. Ltd.

REGISTRATION DETAILS

Category	By 20 Feb'23	On the Spot
Faculty Members	INR 500	INR 700
Research Scholars	INR 300	INR 500
Students	INR 200	INR 300

PAYMENT PROCEDURE:

1. www.rajpgurucollege.com
2. Click on - **Online Payment** (Quick Links) (At Right Top of Page)
3. Click on - PAYTM
4. Select your Institute's Area - **STUDENT SOCIETY**
5. Fill all the information and amount, mention Microbio Conference in the remarks section
6. Proceed

All participants must register: <https://forms.gle/RG6G8gMdLjwxCw4t8>
*Note: The registration fee will cover only hospitality (i.e. Lunch and Tea) and kit; it does not include accommodation charges.
