

Student achievements in Year 2022-23

- Ms. Aehsaas Roy and Ms. PankhiMili, students from B.Sc(H) Biomedical Science ,3rd year were selected for the IASc-INSA-NASI Summer Research Fellowship-2022
- Ms. AlkaKumari, from B.Sc.(H) Biomedical Science 3rd year, was selected for ACBR Summer Undergraduate Research Program 2022.
- Ms.HarshaGautam from B.Sc.(H) Biomedical Science 3rd year was selected for In house internship offered by instrumentation department of SRCASW from period 1st June 2022 - 20th July 2022
- Ms. SameekshaLuthra from B.Sc. (H) Biomedical Science 3rd year was selected for In house internship offered by instrumentation department of SRCASW from June 1st, 2022 - July 20th ,2022
- Ms. SameekshaLuthra from B.Sc. (H) Biomedical Science 3rd year was nominated for Dr. S. Lakshmi Devi Award for excellence for the year 2022-23.
- Ms. Nisha Singh from B.Sc. (H) Biomedical Science 3rd year was awarded All-rounder student of the year 2022-23.
- Ms. KritiTyagifrom B.Sc. (H) Biomedical Science 3rd year was awarded Best student of the year for 2022-23.
- Prem Pal Malhotra Memorial Award was awarded to and Ms. Harsheen Kaur and Ms. Suchismita. It is awarded for excellence in academics in Biomedical Science.
- Ms.Samishta was awarded with the most disciplined student of the department in the year 2022-2023.
- Ms.ChokeyLangtso fromB.Sc. (H) Biomedical Science 3rd year was selected for Summer internship offered by inStem (NCBS) Banglore .
Period of Internship: June 14th, 2022 - July 14th 2022

- Ms.Anjali and Ms.MsSrishtiSeshan from B.Sc. (H) Biomedical Science 3rd year carried out summer internship research work entitled is **“characterization of halotolerant bacteria from saline soils”** at department of biomedical Science, Shaheed Rajguru College of Applied Sciences for Women with effect from 21st June to 21st July 2022.
- Ms. Shraddha Agarwal participated in 10 hours session of the program **“Kona KonaShiksha”**, conducted by National Institute of Securities Markets (NISM) under the aegis of CSR program of Kotak Securities Limited On 17-Jul-2022,
- Ms. Disha Patel from B.Sc (H) Biomedical Science 3rd year got 2nd position in poster presentation in national conference hosted by Department of Microbiology, SRCASW on 23rd – 24th February 2023.
- MsSameekshaLuthra from B.Sc (H) Biomedical Science 3rd year presented a research paper in “International Conference on Nanotechnology:Opportunities and Challenges” held on virtual mode on November 28-30, 2022.
- MsSameekshaLuthra from B.Sc (H) Biomedical Science 3rd year completed National Workshop on **“Techniques for Manipulation of Nucleic Acids for Application in Genomics”** CIIDRET,University of Delhi South Campus, Dec 26,2022 to Jan 27, 2023.
- Ms.Harsheen Kaur from B.Sc (H) Biomedical Science 2ndyr presented poster entitled **“Gut microbiome: A new therapeutic opportunity”** in the National Symposium on Frontiers in Biomedical Research 2022.Organised by ACBR, University of Delhi, November 2-4, 2022.
- Ms. SnehaChakraborty from B.Sc (H) Biomedical Science 2ndyr presented poster entitled **“Gut microbiome: A new therapeutic opportunity”** in the National Symposium on Frontiers in Biomedical

Research 2022.Organised by ACBR, University of Delhi, November 2-4, 2022.

- Ms. Asmi Sharma from B.Sc (H) Biomedical Science 2ndyr presented a poster entitled **“Potential for hypoxia in glucose metabolic reprogramming : A cure for neurodegenerative diseases”** in the National Symposium on Frontiers in Biomedical Research 2022.Organised by ACBR, University of Delhi, November 2-4, 2022.
- VanshikaMakolfrom B.Sc (H) Biomedical Science 2ndyr presented a poster entitled **“Potential for hypoxia in glucose metabolic reprogramming : A cure for neurodegenerative diseases”** in the National Symposium on Frontiers in Biomedical Research 2022.Organised by ACBR, University of Delhi, November 2-4, 2022.
- Ms. PallaviManchandafrom B.Sc (H) Biomedical Science 2ndyr presented a poster entitled **“Autism spectrum disorder: Genetic factors and their modifiers”** in the National Symposium on Frontiers in Biomedical Research 2022.Organised by ACBR, University of Delhi, November 2-4, 2022.
- Ms. PalakTomarfrom B.Sc (H) Biomedical Science 2ndyr presented a poster entitled **“Molecular mechanisms of Vascular Smooth Muscle Cell Dysfunction in Accelerated Diabetes Cardiovascular Disease”** in the National Symposium on Frontiers in Biomedical Research 2022.Organised by ACBR, University of Delhi, November 2-4, 2022.
- Ms. Nisha Singh from B.Sc (H) Biomedical Science 3rdyr completed National workshop on **“Basic Techniques in Microbiology”** held from December 17-23, 2022 at Ram lalAnand College , University of Delhi.

- Ms. Samishtha Pandey from B.Sc (H) Biomedical Science 3rdyr completed National workshop on “**Basic Techniques in Microbiology**” held from December 17-23, 2022 at Ram lalAnandCollege , University of Delhi.
- Ms. Nisha Singh from B.Sc (H) Biomedical Science 3rdyr completed National workshop on “**Techniques for Manipulation of Nucleic Acids for Application in Genomics**” held from December 26,2022-January 27, 2023 at CIIDRET,University of Delhi South Campus.
- Ms. Samishtha Pandey from B.Sc (H) Biomedical Science 3rdyr completed National workshop on “**Techniques for Manipulation of Nucleic Acids for Application in Genomics**” held from December 26,2022-January 27, 2023 at CIIDRET,University of Delhi South Campus.
- Ms.Aehsaas from B.Sc. (H) Biomedical Science 3rdyr completed National workshop on “**Basic Techniques in Microbiology**” held from December 17-23, 2022 at Ram lalAnandCollege , University of Delhi.
- Ms. Pankhi from B.Sc (H) Biomedical Science 3rdyr completed National workshop on “**Techniques for Manipulation of Nucleic Acids for Application in Genomics**” held from December 26,2022-January 27, 2023 at CIIDRET,University of Delhi South Campus.
