3	Talk— " Aliferous Beginnings -A career counseling series by Alumni"	3-4
4	Talk— " Aliferous Beginnings -A career counseling series by Alumni"	4-5

1) Talk-" Aliferous Beginnings -A career counseling series by Alumni": The Department of Biomedical Science organized an event "**Aliferous Beginnings -A career counseling series by Alumni**" on 13th November 2021. Aliferous Beginnings is a series of talks given by the alumni of Department of Biomedical Science of Shaheed Rajguru College of Applied Sciences for Women, University of Delhi, to help the students make an informed decision regarding their careers. Series of talks started with talk given by **Dr. Chaitali Khan PhD (USA)**. She educated the students about the various options available after bachelor's and also discussed admission eligibility criteria of Universities in Europe, England and US.

Names of Resource Person: Dr. Chaitali Khan PhD (USA)

Number of Participants: 80

2) Technical fest- PLEXUS: The Department of Biomedical Sciences, organized their much-awaited tech fest, PLEXUS'22, on **Friday, 28th January 2022**. Every year fest came with the theme, this year theme of the fest was "**Biosensors-Augmenting Biology Through Technology**". The special guest lectures were the highlight of the event. Beginning with **Dr. V. V. Raghavendra Sai**, Associate Professor, Biomedical Engineering, Department of Applied Mechanics, IIT Madras, who gave an insightful talk on "**Diagnostic healthcare technologies-**

are the current ones sufficient enough?” Followed by **Dr. Pranjal Chandra**, Assistant Professor and Ramanujan Fellow, School of Biochemical Engineering, IIT BHU talk, he spoke on “**Biosensors: An intelligent Diagnostic Tool**”.

Names of Resource Person: Dr. V. V. Raghavendra Sai, Associate Professor, Biomedical Engineering, Department of Applied Mechanics, IIT Madras, Dr. Pranjal Chandra, Assistant Professor and Ramanujan Fellow, School of Biochemical Engineering, IIT BHU

Number of Participants: 80

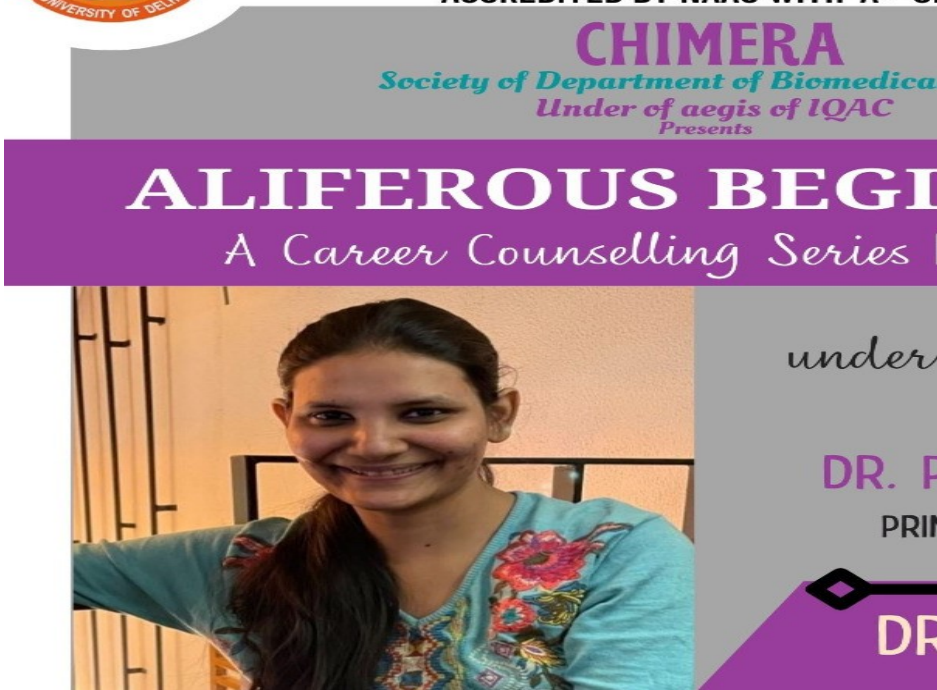

3) **Talk-" Aliferous Beginnings -A career counseling series by Alumni"**: On 28th February 2022, Department of Biomedical Science organized a talk in continuation of series of talks (Aliferous Beginings) by **Dr. Zill-E-Anam**, programme coordinator at India Bioscience, NCBS, TIFR In her talk, she shared how to raise awareness about international grants among students and the success rate of applications from India.

Names of Resource Person: Dr. Zill-E-Anam, programme coordinator at India Bioscience, NCBS, TIFR

Number of Participants: 80
