## 6. Smart Web Apps with AI: From Concept to Deployment

Department of Computer Science, in collaboration with IQAC, organized a hands-on workshop on the topic “**Smart Web Apps with AI: From Concept to Deployment**” on 24<sup>th</sup> and 25<sup>th</sup> March 2025. This workshop focused on integrating Artificial Intelligence into web development using platforms such as OpenAI, Google Gemini and various Machine Learning and Deep Learning models. Participants learned to build intelligent chatbots, recommendation systems, and AI-driven search functionalities. The workshop also covered real-world API integration techniques and best practices for deploying smart web applications.

Notice

The Department of Computer Science, under the aegis of IQAC, is organizing a two-day skill enhancement workshop for B.Sc. (H) Computer Science 3rd-year students on "Smart Web Apps with AI: From Concept to Deployment." The workshop, presented by Dr. Pushkar Gole, will be held on March 24-25, 2025. Dr. Pushkar Gole, a PhD graduate from the University of Delhi, is a researcher and academician specializing in AI in Agriculture, Computer Vision, Blockchain, and Deep Learning.

This hands-on workshop will cover:

- AI integration into web development using OpenAI, Google Gemini, and ML/DL models
- Building smart chatbots, recommendation systems, and AI-driven search
- Real-world API integration and best practices

All participants are requested to bring their own devices (BYOD) for the workshop. Certificates will be awarded upon successful completion of the workshop.
