## **National Conference on Recent Trends in Instrumentation and Electronics (RTIE-2016)**

Department of Instrumentation in collaboration with Department of Electronics organized its 2<sup>nd</sup> National conference on Recent Trends in Instrumentation and Electronics (RTIE-2016) on 5<sup>th</sup> and 6<sup>th</sup> October, 2016. This conference was supported by IEEE EDS Delhi Chapter. The conference was co-sponsored by UGC, DBT Star College Scheme, and Tipzin. It was inaugurated by Guest of Honor, Prof. M Jagadesh Kumar, Vice-Chancellor, Jawaharlal Nehru University. Invited talks were delivered by eminent academicians and people from various industries.

- No. of Participants – 200 (80 participants were from Department of Electronics)

## **Introduction to MATLAB and SIMULINK**

Department of Electronics organized a seminar on “Introduction to MATLAB and SIMULINK” by CETPA on 9<sup>th</sup> September 2016. Mr. Issan Verma, the speaker, enlightened the students about how MATLAB & Simulink has become an important tool used in many academic institutions and industries to achieve optimized results in problem-solving situations.

No. of Participants – 100

## Annual Technical fest “Electromania-2016”

Department of Electronics organized its Annual Technical fest “Electromania Ablaze” on 21<sup>st</sup> October 2016. Our chief guest Ms. Gunjan Bansal, alumni of our college and currently working with TCS as a Project Leader, shared her experience about the association with college. Students from more than 17 colleges participated in various technical competitive events to make it a success.

# Electromania ABLAZE 2K16

## 21st OCTOBER 2K16

Exciting prizes  
worth Rs12,000/-

**TECH@NNECT**

**BITS N' BYTES**  
*Playing with 0's and 1's*

**TECHNOPEDIA**  
*Paper presentation*

**CODESTORM**

**BATTLE OF WITS**  
*Technical Quiz*

**LAN COMBAT**

**Venue: Amphitheatre**

**Id card is compulsory**

### **“Personality Development — The Practical Way”**

A seminar on “Personality Development — The Practical Way” by Mr. Praveen Khanna, from Career Launcher on 14<sup>th</sup> January, 2017. He talked about various fields open for students after graduation, the Challenges one faces in their professional growth and how to overcome those challenges. The talk was very engaging, precise and effective to the students.

- No. of Participants – 100

### **Industrial visit to “SSPL – Solid State Physics Laboratory**

Department of Electronics organised a one day industrial visit to “SSPL – Solid State Physics Laboratory” on 2<sup>nd</sup> March 2017. SSPL is a laboratory under the aegis of Defence Research & Development Organization (DRDO). The visit exposed the students to the technical aspects of electronic materials. It gave an insight to characterization, synthesizing and fabrication part of the material.
