

# ***SHAHEED RAJGURU COLLEGE OF APPLIED SCIENCES FOR WOMEN***

## ***GLAMFIRE: The Fashion Society (2024-2025)***

We are Team Glamfire, the fashion society of Shaheed Rajguru College. We present fashion in our own unique and individual manner, trying to spread information through our elaborate executions, uphold our sense of individuality, and womanhood. Our theme, Pratyangira, shows a perfect blend of grace and the power a woman holds in herself. They say “she is the creator and the destroyer.” Our society spread the message of women's empowerment and showed the evils happening to women in both social and personal aspects. Whether it is rape victims or acid attack survivors, or even a victim of socialized patriarchy, we women are not just some shadow of men but a lot of our own selves. We provide care, spread love, and more than that, we stand up for ourselves.

We are proud to perform our theme as it encourages women with grace and goddess as we are, to raise our voice against these evils and stand up for ourselves.
