

Human cafe Activities 2023-24

1. Activities- Diwali Mela

Human Huddle was the first event, organized during the Diwali Mela "Ujjwal 23" in Shaheed Rajguru College of Applied Sciences for Women. Along with all the council members and volunteers of Human Café, various games and puzzles were brainstormed. At last, four games were selected- human huddle, chit rhyming, ring and chit story starters and colour placards, which were enjoyed and everyone loved playing them. Each game was time-bound for 30 seconds, which made it even more thrilling.

2. Activities- Kravaan

Scavenger Hunt was the second event for the session during our Annual College Fest "Karvaan". It was Scavenger Hunt- a mystery treasure hunt kind of game where clues were hidden all around the college and the participants were supposed to search them on the basis of riddles given to them. There were cash prizes for 1st, 2nd and 3rd winners. It was absolutely thrilling to watch people moving around the college collecting hints and reaching the destination. Overall, it was a very fun event.
