

Unnat Bharat Abhiyan

Activities 2024-25

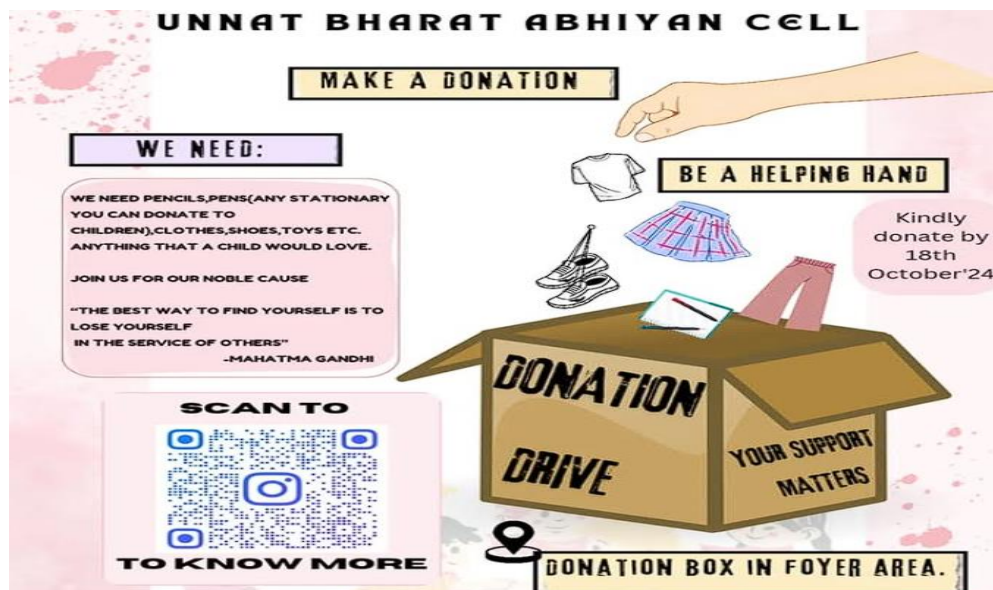

1. Orientation cum Lecture

To introduce new members to the vision and mission of UBA, we conducted an orientation session accompanied by a lecture emphasizing on mental health in rural areas. Dr. Nupur, as an expert, shared insights on social responsibility, inspiring students to take proactive roles in community service.

2. Donation Drive

A donation drive was organized to collect essential items, including clothes, stationery, and food supplies, for underprivileged communities. The overwhelming response from students and faculty members reaffirmed our collective commitment to social welfare.

3. Cleanliness Awareness Drive (2nd October 2024)

In honor of Mahatma Gandhi's vision for a cleaner India, our team conducted an extensive cleanliness awareness drive. Volunteers engaged with local communities, spreading awareness about waste management, hygiene practices, and the importance of maintaining a clean environment.

4. IIT Visits (Three-Day Program)

A selected group of students had the opportunity to visit IIT Delhi on three consecutive days, where they interacted with experts and learned about innovative technological solutions designed to uplift rural areas. These visits provided valuable exposure to practical applications of sustainable development models.

5. Health Camp

A free health check-up camp was set up in collaboration with medical professionals in Yamuna Khadar to provide basic healthcare services to the underprivileged. General health screenings, and nutritional guidance were provided, ensuring better health awareness among the rural population.

6. Mission Adhyayan Visits

(Every Saturday & Sunday
from January Last Week Onwards)

Mission Adhyayan is one of our most impactful initiatives, focusing on educating underprivileged children. Every weekend, our volunteers dedicated their time to teaching and mentoring young minds in Dallupura, helping bridge the educational divide and fostering a love for learning.

7. Republic Day Celebration at Dallupura

In collaboration with the local community of Dallupura, we celebrated Republic Day with patriotic fervor. The event featured flag hoisting, pledge and interactive sessions to educate children on the importance of our nation's history and values.

8. Basant Panchami Celebration

To honor the cultural significance of Basant Panchami, a special event was organized where children and our cell members participated in traditional festivities. The event highlighted the importance of education, with special prayers dedicated to Goddess Saraswati.

Words from the Council

1. President - Vidushi Sonkar

Each visit to the village to teach children is an incredibly fulfilling experience. Their eagerness to learn and their smiles make every effort worthwhile. Working for the villagers and witnessing their satisfaction teaches us invaluable lessons about resilience, gratitude, and the true essence of community. Every interaction reinforces our commitment to creating meaningful change.

2. Vice President - Surekha singh

Everytime when I work for UBA , it gives me a new hope ,new vision and tons of courage by seeing those happy faces in their tough situation . Their love towards us and their dedication towards their lives and unity among them made me work hard for their betterment.

3. Other Heads:

Our recent engagement with the Unnat Bharat Abhiyan has been deeply enriching. Meeting children eager to learn despite their hardships reminded us that education is more than just books—it's a doorway to hope. UBA has taught us so much, and has made us a better person. All the events we've done till date were a great success all because of the positive contribution of not only the council but the people around. This journey has left a deep impact on us, strengthening our belief that change begins when we reach out, listen, and take action.
